Mrs. O. M. Miller

Mrs. Fred Taylor returned Saturday to her home in Medford after spending three weeks at the home of her father J. C. Standish in the city. Mrs. Standish, who has been on the sick list for the past two months, is so much improved that she is now able to sit up, and it is thought that she will soon be about the house and in her usual health.

A Bilious Attack

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter.

Christian Church Notes

Last Sunday morning and evening two splendid audiences were out to worship and enjoy the beginning of our revival meeting. In Bible school alone sixty were present. Our school is still leading Woodburn and Junction City in the contest which closes April 14th.

State Evangelist R. L. Dunn is

leading us in what bids fair to be a great meeting. The choir, led by Bro. Kenneth Hendricks, is furnishing attractive music, and all who come feel like coming again. Every evening during the few short weeks of revival will be too good to miss. No one barred from the service on account of race, color or religious belief.

Friday, at the M. E. church let us all gather to hear Morrow on the vital "Nation-dry" question.

The weather is good for walking and driving. Let's all get the "Go-to-meeting" habit.

The Clover Circle class meets Saturday afternoons at Mrs. True's to sew for the Belgian children.

M. E. Church Notes

Sunday school lesson next Sunday "Jesus Ministering to the Multitudes."

The Son of Man came not to be ministered unto, but to minister, and to give his life a ransom for many.—Matt. 20:28.

Leading thought—Jesus expects us to help the needy. "They who tread the path of labor, Follow where Christ's feet have trod."

The King's Heralds met at the church on last Saturday at the close of the children's training class.

The Bible Teacher's training class meets every Thursday evening at the close of prayer meeting. The instruction is very interesting and instructive.

Chamberlain's Cough Remedy a Favorite for Colds

J. L. Basley, Macon, Ill., in speaking of Chamberlain's Cough Remedy says, "During the past fifteen years it has been my sister's favorite medicine for colds on the lungs. I myself have taken it a number of times when suffering with a cold and it always relieved me promptly."
