The war will end with the siege of the Rhine.

The Willamette Valley will soon be at its best—a vision of loveliness.

A republican governor has never been re-elected in Oregon. Will Gov. Withycombe smash the precedent?

General von Hindenberg will not make good his boast that the German army would be in Paris April 1. April fool!

Frederick Ayer, whose fame and fortune was made by "Cherry Pectoral" and other patent medicine, has just died at the age of 95. Wonder if he took his own medicines?

Some person who has more time to give to figuring than he has to give to the war has discovered that if Adam had put away one war saving stamp War Savings Stamp, with interest at 4 per cent, compounded every three months, the world would not be able to pay that sum today. The fact that old Adam didn't save, however, should not deter Oregonians in a resolve to get into the war saving wagon now. Don't let the kaiser profit by your making the same mistake that Adam did.

A "War Cyclopaedia" is the latest special war publication of the government issued through the Committee on Public Information. It is a handbook for ready reference on the great war and contains in some 300 pages a great mass of information simply arranged and clearly stated. It is issued in response to an insistent demand from many students, writers, clergymen, lawyers, business men and the public at large for authentic statements of the outstanding facts concerning the war, in alphabetical arrangement. The "War Cyclopaedia" was edited by Frederick L. Paxton, University of Wisconsin; Edwin S. Corwin, Princeton University, and Samuel B. Harding, Indiana University, the editors drawing freely upon the time and the patriotic good-will of a large number of special writers from all parts of the country. Because of its special value and the high cost of printing a small price of 25 cents a copy has been fixed by the government to cover the cost of production and distribution. It may be obtained from the Committee on Public Information, 10 Jackson Place, Washington, D. C.

Christian Church Notes

Next Lord's Day we will partake of the Communion at 10:50. The service flag will be dedicated with special service at 11:00. This Easter season our thoughts are more of the war, and it is specially fitting that we commend our boys to the Master's care. We can only hope and pray that not a single silver or gold star will be substituted for the blue. The program will be as follows:

- 1 Voluntary.
- 2 Invocation.
- 3 Salutation of flag.
- 4 Songs—Star Spangled Banner, America, with God Bless our Boys.
- 5 Presentation of service flag, by W. H. Robertson.
- 6 Acceptance on part of church, Rev. K. C. Hendricks.
- 7 Recessional, congregation.
- 8 Address, Rev. Dunn.
- 9 Solo, Miss Victoria Cave.
- 10 Benediction.
- 11 Post ule.

Rev. Dunn has been with us almost two weeks, and has conducted each evening meetings of an inspirational nature. Thursday and Friday evenings of this week he will preach on the second coming of Christ. Our pastor has directed the singing and we have been favored with several special numbers. Fay Bennett was with us Sunday.

Remember the change of the clock Easter day and be on time at church accordingly.

The young people of both the churches will celebrate Easter morning with a sun-rise prayer meeting at 6:30 a. m. (new time). Let there be no sleepy heads who fail to greet the sunrise with melody and praise. All up and out at 6:30.

M. E. Church Notes

Easter Sunday March 31.

Sunday school review lessons in Mark's gospel. "Let this mind be in you, which was also in Christ Jesus." (Phil. 2:5)

When Mark came to know Jesus of Nazareth he was convinced that he was the son of God—God manifest in the flesh, the savior of the world—and he accepted him as his personal savior.

There will be a special Easter sermon in the morning by the pastor and special music by the ladies' quartette and a mixed quartette.

The Benevolence Committee have had a meeting and are at work that the full quota may be provided for.

We will have to look out or we will meet ourselves going and coming from the services on next Sunday as the clocks are to be moved ahead one hour on that morning so that it will be necessary to get up one hour earlier and go to bed that much earlier in the evening.

We have purchasers for some large well improved farms. Must be well located and priced right for quick sale. What have you? Address Miller & Walter, Real Estate, Corvallis, Oregon.

WILL OPEN A STATION HERE

Union Meat Co. to Enter
Halsey Field—L. W. Byerley to be Agent

That there is a rapidly developing rivalry on the part of the big produce concerns to "get next" to the rich Halsey section is evidenced by the fact that the Union Meat company of Portland is now making arrangements to open a station here within a few days. The station will be in charge of L. W. Byerley and will be located in the McCully building.

High School Notes

Prof. Horner from O. A. C. will give a stereopticon lecture on Oregon in the hall next Saturday night. Proceeds will go to the Junior Red Cross.

The Junior Red Cross use 40 minutes every Friday besides the outside time.

The orchestra is progressing rapidly under the direction of Prof. Nichols. Balf Bond was initiated last Wednesday night with a set of clarinets.

The physical geography class have completed a map of school district No. 41 and are ready to submit it to Balf Bond, chosen by the faculty and class as critic.

Drama practice is in full swing. The bookkeeping class will start in on dry goods business Friday. They are doing excellent work.

The botany class are now taking orders for string beans grown in their observation gardens. These gardens have glass sides. Much interest is taken in the development of the roots and plants.

The high school are learning the late war songs, in which they are taking great interest.

Revs. Dunn and Hendricks visited school Tuesday morning. Rev. Dunn made quite an interesting talk, which was much appreciated by the students and faculty.

A number of students have been out of school on account of the measles, but are back again. Prof. tried to have them but failed, only to be sent back to school by Mrs. Maxwell.

The great battle in Europe is the all absorbing topic of conversation.

A Bilious Attack

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter.

HAS CURE FOR RHEUMATISM

Halsey Man Claims Effective Remedy—Trial Treatment is Free

W. J. Ribelin of this city has become interested of late in "Dunning's Root," which is found in the foothills of eastern Oregon and which possesses remarkable qualities as a blood purifier and cure for rheumatism.

The treatment consists simply of a tea made from the root.

Mr. Ribelin's attention was first called to the medicinal qualities of this root by the remarkable cure of a case of rheumatism in his own family. He has procured a supply of the root and will be glad to give any sufferer a sample free.

Several Halsey people are now testing its value.

MUTUAL HAS NEW AGENT

Halsey Cream Station Will be Open Every Day

L. W. Byerley, who for some time has been local agent for the Mutual Creamery company, was succeeded Tuesday by J. H. Schmidt of Eugene. It is understood that Mr. Byerley will at once take up work for another company.

The new agent for the Mutual is a well known creamery and dairy man in Lane county, having been for several years manager of the Eugene Pure Milk and Cream company as well as of Schmidt Bros.' Guernsey Dairy. He is at this time, in addition to his Halsey duties, manager of the Mutual interests at Eugene.

"The Second Coming of Christ" is the topic for the sermon at the Church of Christ tonight. In this sermon Rev. Dunn will show the biblical significance of the present war.

Despondency Due to Constipation

Women often become nervous and despondent. When this is due to constipation it is easily corrected by taking an occasional dose of Chamberlain's Tablets. These tablets are easy to take and pleasant in effect.
