To Speak in Halsey

There will be held a mass meeting at the Red Cross room in this city next Saturday at 3 p. m. for all the housewives in the community. The speaker, Mrs. Jennie M. Next Sunday school lesson, Jesus Rebukes Selfishness. "If any man desire to be first, the same shall be last of all, and servant of all."—Mark 9:35. Those who are truly great are humble.

The Sneed home on Tuesday evening was the scene of a pleasing shower in honor of Mrs. Hazel Mornhinweg Wallace. It was planned and carried out through the kind thoughtfulness of Miss Marie in recognition of the friendship and years of faithful service of Mrs. Wallace as a member of the Philathea class, also Sunday school secretary and League worker. The Philathea girls and teacher were entertained, Mrs. G. W. Mornhinweg was the guest of honor and a few intimate lady friends were present. The remembrances consisted of a number of useful household gifts. Nice refreshments were served and the guests returned to their homes impressed with the worthy effort of the hostess.

Prof. J. B. Horner of O. A. C. will deliver his entertaining lecture on "Egypt" at the church on next Saturday evening, April 27, 8 p. m. Again on Sunday evening at 8:30. Subject, "From Jerusalem to Jericho." Prof. Horner is a pleasing speaker. He has made a tour of these historic Bible lands and speaks from experience. A cordial welcome to all.

Some Good Advice

"Don't think too much of your own methods. Watch other people's ways and learn from them." This is good advice, especially when bilious or constipated. You will find many people who use Chamberlain's Tablets for these ailments with the best results, and will do well to follow their example.

C. M. KENDALL For Sheriff

I have supported the Republican party for over 25 years—have never held a public office and never asked for a single political favor until I made the race for sheriff in 1916.

I stand squarely on the right side of all moral questions and I shall sacrifice neither principle nor patriotism nor the interests of Linn county for politics.

We are in this war and no one can forecast the probable cost to this country in men and money. Every American citizen is expected to "make good" and as I am past the draft age I must do my part here.

I am in this campaign, primarily, for the purpose of giving my boy a high school education and doing everything I can for the boys who are in the service.

I want to win this time, if I can do so honorably, and I am prepared to do my duty as an officer of the law.

I was chief deputy in the office for over 18 months and I have served as a peace officer and outside deputy at different times for 10 years.

My record is clean. My accounts were accurate. I never made a false arrest, never failed to get the man I went after and never lost a prisoner.

In case of my election in November I shall run the office strictly according to law.

I shall give prompt, efficient and accommodating service at all times.

I shall keep the office expenditures as low as possible and I shall turn over to the Linn County Red Cross all rewards collected for the arrest of slackers.
