Cholera Morbus

This is a very painful and dangerous disease. In almost every neighborhood someone has died from it before medicine could be obtained or a physician summoned. The right way is to have a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house so as to be prepared for it. Mrs. Charles Eneyart, Huntington, Ind., writes: "During the summer of 1911 two of my children were taken sick with cholera morbus. I used Chamberlain's Colic and Diarrhoea Remedy and it gave them immediate relief."

Christian Church Notes

The Sunday preaching services were conducted by Mr. Petelle, a student at the E. B. U. The subject in the morning was "Things to be Full of," and in the evening "Branded." We expect to have Mr. Petelle with us next Sunday.

Sunday afternoon a number of our young people attended a C. E. campaign rally at Harrisburg. Myrtle Curry, Cyrus Arnold, Harold Hamilton, Arthur Robnett and Dorothy Miller discussed various phases of Endeavor work. Ralph Thom presided at this meeting. Next Sunday a similar rally will be held in Crawfordville and the next week the union plans to make a deputation trip to our own Endeavor.

Tuesday evening the regular business meeting was held at the home of Dorothy Miller. The attendance was good and plans were made for increased efficiency.

A traveling library is announced by the county C. E. Union.
