Metropolitan Artists

Noted Musical Company Headed by Mary Welch, American Contralto

Mary Welch, the American contralto, heads the Metropolitan Artists to be heard on the third day of Chautauqua in two programs. Her rare contralto voice with its rich, colorful tones, has won distinction for her throughout the Middle West. The Chicago Record-Herald speaks of her as "having a contralto voice of great richness, range and power, and she charms her audience by the earnestness and simplicity of her manner." The cellist with the Metropolitan is Jo Polak of the Chicago Symphony Orchestra. He has appeared as solo cellist in practically all of our great musical centers since his coming to this country in 1905. Miss Agnes Bodholt, the third member of the company, is a true artist at the piano. Her offerings glow from the sureness, shading and musical thought with which she plays.

M. E. Church Notes

Sunday school lesson for July 14: Making the Bible Our Own. "Ye shall know the truth, and the truth shall make you free." (John 8:32). What particular plans can I adopt by which my Bible reading may become more valuable than before?

Our Philathea teacher, Mrs. O. M. Miller, returned home this week from Cottage Grove, where she has been with her aged mother. Mrs. Miller has the sympathy of our church and school in her bereavement. Two weeks ago Miss Nettie Spencer kindly supplied the class and last Sunday Mrs. Jesse H. Bond told the girls of her observations in Sunday school and girls' class work.

We were so glad last Sunday service to greet our Baran boy and League scout, Walter H. Rike, who is home on a month's furlough from his naval duties as drillmaster of 100 men at Hampton Roads Base, Va. Uncle Samuel has a knack of making fine lookers out of our boys.

The W. F. M. S. held their meeting with Mrs. Stevenson last Friday. They had an enjoyable time and three garments were made up for the French orphans.

Are You One of Them?

There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a weak or disordered stomach. Are you one of them? Mrs. M. R. Searl, Baldwinville, N. Y., relates her experience in the use of these tablets: "I had a bad spell with my stomach about six months ago, and was troubled for two or three weeks with gas and severe pains in the pit of my stomach. Our druggist advised me to take Chamberlain's Tablets. I took a bottle home and the first dose relieved me wonderfully, and I kept on taking them until I was cured." These tablets do not relieve pain, but after the pain has been relieved may prevent its recurrence.

Noted Japanese Scholar, Author and Lecturer on Japanese-American Relations.

Dr. Yamamoto was educated in the universities of both Japan and the United States, has written several authoritative books on the relations of the two countries, and is perhaps better fitted than any other man on the platform to bring this vital subject to American audiences.

Few subjects are more important in the public mind at the present time than the one concerning our relations
