HEAR THIS CALL

from OUR HOME TOWN BOYS OVER THERE

LETTERS from our boys in the trenches and from the women in canteen and other war work, all bring to us the same message—SEND US NEWS FROM HOME.

World news is all right, but OUR BOYS want NEWS OF THIS TOWN. They want the home newspaper. Publishers are prevented from sending their papers free to anyone, even boys in the service. Consequently a national movement has been started by Col. William Boyce Thompson of New York, who is acting as President of the Home Paper Service of America to give the boys what they are calling for. Every community is joining the movement. Let us see that our boys are not forgotten.

Send to the publisher of this newspaper whatever amount of money you can—5 cents or \$50.00. We will publish a list each week of those contributing, and the amounts contributed.

Every cent received will be used to send this paper to our boys at the front. If at the end of the war, there is any surplus, it will be turned over to the local Red Cross Committee.

There is no profit in this to the publisher—even in normal times, subscriptions are not sold at a profit. With war prices prevailing, and the high rate of postage on papers sent to France, our cost will scarcely be covered by our full subscription price.

Remember that over in France, some brave soldier or sailor from this town—perhaps even some splendid woman working within sound of the guns—is depending on you to "KEEP THE HOME LOVE KINDLED."

They are calling to YOU from "Over There"
GIVE WHAT YOU CAN

BABIES MUST HAVE MILK

"You get more calories to the penny from milk than from any other food even at the present price," said Dr. E. J. Labbe, specialist, who returned recently from Europe and who spoke at the State Fair and at other patriotic gatherings. Dr. Labbe told of the children he treated in the Red Cross children's hospital in Evian, on Lake Geneva, in France. The little French and Belgian refugees were wan and weak and almost lifeless. A milk diet soon brought good results and the babies thrived. "But," said Dr. Labbe, "they will never entirely shake off the marks made by the months in which they were starved for milk. Children must have milk if the race is to go on. It is every man's and every woman's duty to do all in his power to keep the herds of Oregon alive. Feed men, mill men, dairymen, householders, dealers, everyone must co-operate. The babies of the world must be saved."

The Busy Dollar.
The busy dollar rolls in sight
A brighter coin and wiser.
The dollar not employed for fight
Is sulking for the Kaiser.

Camouflage.
"Why is Smithers talking so much about the sacrifices one has to make just now and the increase in living expenses?"
"All put on. He wants to make people believe he pays a tax on his income."

A Great One.
"There is one big difference between me and talk."
"What is that?"
"If you mince your words, you are not so likely to have to eat them."

Croup
If your children are subject to croup get a bottle of Chamberlain's Cough Remedy, and when the attack comes on be careful to follow the plain printed directions. You will be surprised at the quick relief which it affords.

HOW YOUR MONEY WILL HELP "BOYS"

Official Statement of Seven Great Welfare Organizations.

Citizens of Oregon, in the week of November 11-13, will respond to the call of the United War Work Campaign for funds to make happy and effective the fighting men of the Nation. That the citizens will uphold the commonwealth's notable record in doing its share to win the war is taken for granted, once the needs are understood.

Oregon's quota in the joint drive of the seven great organizations doing war service work is \$770,000. President Wilson authorized this united drive and named the participating bodies. The purposes for which the funds are needed and to which they are dedicated are vital to the war's success.

The Y. M. C. A. has more than 2000 huts in the great battle zone and is ministering to the boys overseas, in trench and camp, leaving undone nothing it can do to help them. In America the "Y" is in every camp and cantonment. It is with the boys "crossing over" and, at request of the War Department, has recently joined in the task of instructing selectives even before they are called.

War work of the Y. W. C. A. is thus outlined by Mrs. William MacMaster, state chairman:

"Already we have in this country 2,000,000 women doing actual war work, while another 2,000,000 have released men for service by undertaking their work. To the Y. W. C. A., 'the best big sister in the world,' has been committed by the government and military authorities the serious responsibility of directing the thought, creating the environment and furnishing the material needs of this army of girls. Already 105 hostess houses have been opened, War Service Clubs organized, the Patriotic League created, nurses sent where needed and now we are asked to furnish emergency housing for thousands of girl workers."

John W. Kelley, associate drive director, says of the Knights of Columbus:

"Knights of Columbus halls are in operation in all cantonments, training camps and naval stations in the United States and the halls are also established with the American Expeditionary Forces in France, Italy, Russia and England. The motto is 'Everybody Welcome,' service being given irrespective of race, creed, or rank. Millions of cigarettes, pipes, bouillon cubes, gum packages and tons of chocolate have been given free to the soldiers overseas. One of the specialties is the promotion of athletics and a considerable item in the budget is for baseball equipment, boxing gloves, etc. In the war zone the troops are followed with motor trucks which are virtually traveling huts, fully stocked with athletic goods, stationery, cigarettes, and the like."

Needs and activities of the Jewish Welfare Board, explained by Ben Selling, are:

"In one year the number of our field representatives has grown from 10 to 213. Now we are faced with the demand for 400 additional workers in this country and 100 overseas. The money going into our fund pays necessary expenses and salaries, furnishes Bibles and prayerbooks by the thousands and letterheads and envelopes by the million, and provides camp, educational and recreational activities for the fighters, both here and abroad."

"War Camp Community Service," explains Emory Olmstead, state chairman, "developed from the commission created by the War and Navy Departments, first known as the Fossdick Commission. The community is its particular field and thousands of workers are assisting the towns in caring for visiting soldiers and sailors, providing wholesome amusement and clean recreation and surrounding the camps with hospitality."

Functions of the American Library Association, says William L. Brewster, state chairman, are "to provide books and reading matter to the soldiers and sailors through co-operating agencies and directly." Thirty library buildings have been provided at cantonments; 3,750,000 donated books distributed; 1,000,000 books and tons of magazines sent abroad, and 600,000 needed military technical books bought and given the men.

Those are some things the Salvation Army does, according to O. C. Borz-meyer, state chairman:

"On lines of communication our huts are open day and night. Then, following their methods, our men and women go right to the trenches and distribute chocolate, coffee, doughnuts, and pies. Sixty per cent of the 1000 workers are women. We have now 703 huts and 50 ambulances in service. In the past few months aid has been given the Red Cross in sending abroad 100,000 parcels."

Here's your chance—give to the Y. M. W. K. of C., Salvation Army, Jewish Welfare Board, Library Association and the War Community Service and you help make a soldier, sailor or marine happier and better.

Do you want to get a good book to a soldier, sailor or marine? GIVE to the American Library Association.

GIVE to the war welfare agencies and keep up the morale of our fighting forces.

Send a doughnut to the front line by giving to the Salvation Army.

Reassuring.
The accident had happened and the victim lay comfortably at the hospital and was beginning to take notice. After an inventory of himself he found nothing had strayed or was loose. His lawyer came in.

"Say, Smith," began the victim, "do you think I'll recover?"

"Recover? Why your case is good for \$15,000 if it's worth a cent."

Filling a Need.
"Does your husband play golf?"
"Yes."

"Then I'm sure you will be interested in this set of 38 volumes I am selling. It will help to while away many a lonely hour."
