Christian Church Notes

In order to prevent further spread of the influenza there are no regular church services. However this does not mean that our religion should be suspended. This should be more than ever a time of prayer. Some who have formerly been with us are seriously ill, and let us remember them in our prayers.

The annual C. E. convention will be in Albany this year, and the Linn county goal is to have every member present. The plans are being made for a splendid convention, and all who were at Eugene or Salem in past years will know they cannot afford to miss this inspiration. And the others? Why, there isn't any reason not to go when it's as near as Albany. Let's take as our motto, "All to Albany, Feb. 20-23." Miss Helen Lee, well known here, has charge of the work in Albany, so delegates are assured of entertainment. If we feel doubt as to whether we are able to go, let us remember Phil. 4:13, "I can do all things through Christ, who strengtheneth me," which was last year's motto.

Card of Thanks.—We wish to extend our sincere and heartfelt thanks to those big-hearted neighbors of ours—Captain Bert Hedgepeth, Oscar Wigle, Ben Schick, Charlie Kizer, Lincoln Overton, Claude Huff, Beryl Kizer, Francis Kizer, Frank Bond, Clarence Long, George Belts, Gilliam Kitchen, August Sperling and Adolph Sperling—who in our time of sickness prepared our land and sowed our grain. May God help them in their time of trouble and sickness as they have helped us.—Chancy Sickels and family and W. C. Sickels and family.

Mrs. Stafford-Price, mother of C. P. Stafford, injured in an auto accident at Rosalia, Wash., some time ago, has gone from Rosalia to spend the winter with her son Guy at Ralston, Wash.

A baby boy was born yesterday to Mr. and Mrs. Howard Reeves at Portland.

About Croup

If your children are subject to croup, or if you have reason to fear their being attacked by that disease, you should procure a bottle of Chamberlain's Cough Remedy and study the directions for use, so that in case of an attack you will know exactly what course to pursue. This is a favorite and very successful remedy for croup, and it is important that you observe the directions carefully.

Obituary

In the death of Mrs. Emma Drinkard, wife of Homer Drinkard, the family and community of which she was a member both suffer a loss. Mrs. Drinkard was the youngest daughter of Mr. and Mrs. George C. Cooley and was born in Brownsville, August 7, 1879, and passed away at the Harrisburg Hospital, after undergoing a severe operation, October 24, 1918. For the major part of her life she made her home in Brownsville, but in 1906 she removed to Almira Washington, where the family made their home for about three and a half years. Since the return of the Drinkard family to Oregon her home has been part of the time near Halsey and for about a year past near Harrisburg.

When she was a small girl Mrs. Drinkard united with the Cumberland Presbyterian church, and later, with her husband became a member of the Methodist church of Almira, Washington. Hers was a quiet and earnest manner of life, translating faith into the love of home and family, and the kindly offices of a good neighbor and friends to others.

There remain to mourn her a husband and four children; Byron Thompson who is now with the colors in France, Velma, Dale and Lois, at home; her mother, Mrs. Harriet Cooley, Brownsville; two brothers, W. C. Cooley, Brownsville, James Cooley, Lovell, Wyoming; and three sisters, Mrs. Kittie Bailey, Brownsville, Mrs. Carrie Irvine, Brownsville, Mrs. Ettie Wright, Albany.

The funeral was held from the family home near Harrisburg on Sunday afternoon at 2 o'clock, the services being conducted by Rev. McLain W. Davis, pastor of the Presbyterian church. A quartet of the Halsey Methodist church sang and Mr. Will Templeton and Mrs. Bird Thompson sang a duet. Beautiful floral pieces and the large number of neighbors present bespoke the esteem in which the loved wife and mother was held.

Card of Thanks.—We wish to thank our friends for their help and kindness in the recent loss of our beloved wife, mother and daughter. Also for the many beautiful floral offerings and to those who sang.—Homer Drinkard and family and Harriet Cooley and family.

M. E. Church Notes

Sunday school lesson: Jacob Deceives His Father. "Speak every man truth with his neighbor."—Eph. 4:25. The purpose of recording this history in the Scripture must have been to show how even the chosen family needed a mighty Savior, and how patient and loving God has been in making it possible that such a race as ours may be saved.

"No power on earth, or under earth, can make a man do wrong without his own consent."

There seem to be no newly developed cases of influenza among our people. Some are being vaccinated as a preventive. We are indeed thankful that our town has been so graciously spared.

We are much concerned about the very serious condition of Bro. W. L. Wells' daughter Gladys at Eugene.

Let us remember that our pastor has not received any salary since the church was closed and he and family have to live as well as other people. Please leave your back payments with the treasurer, J. C. Standish, that he may have it.

Chamberlain's Cough Remedy

Do not imagine that because other cough medicines failed to give you relief that it will be the same with Chamberlain's Cough Remedy. Bear in mind that from a small beginning this remedy has gained a world wide reputation and immense sale. A medicine must have exceptional merit to win esteem wherever it becomes known.

Saves Wheat for Soldier Boys

LETTERS from our boys in the trenches and from the women in canteen and other war work, all bring to us the same message—SEND US NEWS FROM HOME.

World news is all right, but OUR BOYS want NEWS OF THIS TOWN. They want the home newspaper. Publishers are prevented from sending their papers free to anyone, even boys in the service. Consequently a national movement has been started by Col. William Boyce Thompson of New York, who is acting as President of the Home Paper Service of America to give the boys what they are calling for. Every community is joining the movement. Let us see that our boys are not forgotten.

Send to the publisher of this newspaper whatever amount of money you can—5 cents or \$50.00. We will publish a list each week of those contributing, and the amounts contributed.

Every cent received will be used to send this paper to our boys at the front. If at the end of the war, there is any surplus, it will be turned over to the local Red Cross Committee.

There is no profit in this to the publisher—even in normal times, subscriptions are not sold at a profit. With war prices prevailing, and the high rate of postage on papers sent to France, our cost will scarcely be covered by our full subscription price.

Remember that over in France, some brave soldier or sailor from this town—perhaps even some splendid woman working within sound of the guns—is depending on you to "KEEP THE HOME LOVE KINDLED."

They are calling to YOU from "Over There"
GIVE WHAT YOU CAN
