HEAR THIS CALL

from OUR HOME TOWN BOYS OVER THERE

LETTERS from our boys in the trenches and from the women in canteen and other war work, all bring to us the same message—SEND US NEWS FROM HOME.

World news is all right, but OUR BOYS want NEWS OF THIS TOWN. They want the home newspaper. Publishers are prevented from sending their papers free to anyone, even boys in the service. Consequently a national movement has been started by Col. William Boyce Thompson of New York, who is acting as President of the Home Paper Service of America to give the boys what they are calling for. Every community is joining the movement. Let us see that our boys are not forgotten.

Send to the publisher of this newspaper whatever amount of money you can—5 cents or \$50.00. We will publish a list each week of those contributing, and the amounts contributed.

Every cent received will be used to send this paper to our boys at the front. If at the end of the war, there is any surplus, it will be turned over to the local Red Cross Committee.

There is no profit in this to the publisher—even in normal times, subscriptions are not sold at a profit. With war prices prevailing, and the high rate of postage on papers sent to France, our cost will scarcely be covered by our full subscription price.

Remember that over in France, some brave soldier or sailor from this town—perhaps even some splendid woman working within sound of the guns—is depending on you to "KEEP THE HOME LOVE KINDLED."

They are calling to YOU from "Over There" GIVE WHAT YOU CAN

Increased attendance was noticeable at Bible school and a good offering was taken for American missions.

"The boys" are coming home. Let us make ready to welcome them that they may know the home fires have been kept burning.

Miss Myrel Pike has been appointed teacher of the primary class.

Teachers meeting Sunday afternoon at 3 p. m. It is desired that all be present that we may plan for future work.

Endeavor topic Dec. 1st. "All for Christ. Our Pleasures." 1st Cor. 10:23-24.

Do You Want Good Roads?

The taxpayers will be given an opportunity to express themselves on the good roads question at a meeting to be held at the city hall Nov. 30 at 2 p. m. A sum of \$1500 for use on the roads of this district.

Money makes the mare go and money makes the roads. If we want good roads in District No. 4 we shall have to pay for them, and it is up to the voters to come out next Saturday and vote for them.

Good work is being done by our overseer, and one has only to travel in other districts to appreciate it.

Halsey is patriotic in war war, let her be patriotic in road work.

M. E. Church Notes

Sunday School lesson, "Joseph Sold by His Brethren." "Hated stirreth up strifes; But love covereth all transgressions." Prov. 10:12.

This lesson shows how jealousy brings unhappiness and evil results wherever and whenever allowed its way. It unfits for service and usefulness.

Bro. Parounagian, our Sunday School Evangelist, was with us last Sunday. During the Sunday School hour he talked to Mrs. Hadley's class of girls and formed them into a regular organized class under the name of the "Boosters," with Cleona Smith as President, Nora Phersson, Secretary, and Isabelle Gulliford, Treasurer. We are looking for great things from this very promising class. Bro. Parounagian gave us a very interesting sermon in the morning and in the evening he made a stirring plea for the Armenian sufferers fund for which we are to solicit a Xmas offering.

The League service flag containing 64 stars, in honor of every boy in the service from Halsey and surrounding country was unveiled in the evening by the pastor and special musical numbers were given all of which were appreciated.

Prayer meeting on Monday evening followed by the reorganization of the Bible study training class. We are hoping that many will avail themselves of this splendid opportunity. Friends come! You can't afford to miss.

The annual Thanksgiving union service will be held on Thursday evening at the M. E. Church at 7:30. Sermon by Rev. Leavitt, pastor of the Christian church. Let us with grateful hearts go to God's house. If there ever was a time when the American people should praise Almighty God for his great deliverance and tender mercy it is certainly now.

The Woman's Study Club was entertained at the home of Mrs. James McMahan Thursday, Oct. 21st., with 13 members in attendance. A very interesting book review on "They Who Knock at Our Gates," by Mary Antin, was given by Mrs. McWilliams and Mrs. Danley. Miss Gertrude Porter favored the Club with "Two Little Irish Songs." After the study hour a delicious luncheon was served by the hostess. The next meeting of the Club will be held at the home of Mrs. Stalnaker.

Greatly Benefited by Chamberlain's Tablets

"I am thankful for the good I have received by using Chamberlain's Tablets. About two years ago when I began taking them I was suffering a great deal from distress after eating, and from headache and a tired, languid feeling due to indigestion and a torpid liver. Chamberlain's Tablets corrected these disorders in a short time, and since taking two bottles of them my health has been good," writes Mrs. M. P. Harwood, Auburn, N. Y.
