The Halsey Enterprise

An Independent Newspaper.

PUBLISHED EVERY THURSDAY

D. H. TALMADGE, EDITOR

Entered as second-class matter October 3, 1912, at the post office at Halsey, Oregon, under the Act of March 3, 1879.

Devoted to the material upbuilding of Halsey and surrounding country and Linn county generally. Subscription rate \$1.50 per year in advance.

SONG OF LITTLE THINGS.

By Jeanne Judson.

This is the song of little things,
A clean, white bed in a quiet place,
A cigarette and the saving grace
Of smiles that illumine the nurse's face—
These are the joys the Red Cross brings.

This is the song of little things,
An old man brought to his home again,
And children who play, forgetting pain,
A hut that shelters from mud and rain—
This is the rest the Red Cross brings.

The Linn county delegation to the state legislature will meet at the court house in Albany at 10 a. m. Monday, January 6, at which time they would like to have all who are interested in the welfare of our county and state meet with them and make their wants known.

Reconstruction and readjustment of Oregon's interests from a war to peace basis will be considered and definite plans for action made at a reconstruction convention called by Governor Withycombe to meet at Portland January 9, 10 and 11. Arrangements for the session, which will be attended by representative business people from all parts of the state, have been placed in the hands of Mayor Baker of Portland, who sends this notice to the Enterprise, urging that Halsey be represented.

The Oregon Dairymen's association will hold its next annual meeting at Hillsboro Jan. 14-15.

Cured at a Cost of 25 Cents

"Eight years ago when we first moved to Mattoon, I was a great sufferer from indigestion and constipation," writes Mrs. Robert Allison, Mattoon, Ill. "I had frequent headaches and dizzy spells and there was a feeling like a heavy weight pressing on my stomach and chest all the time. I felt miserable. Every morsel of food distressed me. I could not rest at night and felt tired and worn out all the time. One bottle of Chamberlain's Tablets cured me and I have since felt like a different person."

Christian Church Notes

Last Sunday we were again permitted to worship together. The pulpit was filled by Bro. Teddy Leavitt, since Bro. Linden Leavitt was in California during the holidays. Teddy Leavitt has long been a friend of ours through Endeavor work. He is now pastor at Springfield.

Alfred Savage was with us Sunday morning.

The Endeavorers held their New Year's meeting Sunday. The meeting was cleverly planned and thoroughly successful in its development. The meeting was divided into two sides, Gertrude McKern and Johnnie Pittman leading. Each side asked questions of the other. Special musical numbers were given by Donna Robertson and Joyce Forster. Nina Kump read a poem with the New Year's theme. The nominating committee handed in their report: Myrel Pike president, Lawrence Wells vice president, Gertrude McKern secretary and Eldon Cross treasurer.

Now that the New Year is with us, let us remember our Father and Christ. This is a year of hope and promise, but one in which we will miss the best without the guidance of God's word. "So teach us to number our days that we may apply our hearts unto wisdom."

Church Reporter.

Keeping Her Promise.

The Justice—You promise to love, honor and obey this man?
Eloping Girl—I do. Now it's your turn, Dick. Take your hands from your pockets, stand on both feet, throw away that cigarette and don't look so like a fool.

A Courtesy Overlooked.

"So you think women should be more polite."
"I do. I never see a woman with a cigarette asking a man if smoking annoys him."

A GUESS.

"Who was the first 'shot in'?"
"Can't say. How about Jonah?"

Universal Anatomy.

Don't call a man a bonhead. In your angry agitation, remember that your own head has some curious functions.

M. E. Church Notes

Sunday school lesson: Pharaoh Oppresses Israel. "He shall save the children of the needy, and shall break in pieces the oppressor."—Psa. 72:4. Our heavenly father watches over us in times of trouble. Now is the time to make the right kind of New Year's resolutions. Let us resolve that we will be more efficient workers for the cause of Christ and more thoughtful of our neighbor and his needs. And live up to our resolution.

The Armenian fund has passed last year's offering and now stands at \$71, or \$2 better.

The W. F. M. S. will meet Friday at 2:30 at the home of Mrs. Etta Taylor. Mrs. Ruby Standish is the leader.

The official board meeting has been called for next Saturday evening.

We will miss the bright faces of our young people who have been home from school for the holidays.

A very welcome letter has been received from Wm. Masters, addressed to the Baraca class. Our old scout is in the government radio service at Pensacola, Fla.

We hope to have regular services next Sunday and that everyone may be well and come out.

Did the Best She Could.

"So you have taken to carrying around a monkey? This is going too far!"
"Well, you never go anywhere with me," was his wife's somewhat ambiguous retort.—London Tit-Bits.

Not Far to Go.

Exasperated Wife—If you don't stop your flow of sarcasm I'll go crazy in a minute!
Sarcastic Husband—You could make it, all right, and not exceed the speed limit at that.—Farm Life.

The Correct Time, Now.

Bill—Have you got the time?
Gill—Sure I have.
"The correct time?"
"Well, my watch is an hour fast, if that's what you mean."

Chamberlain's Tablets

When you are troubled with indigestion or constipation, take Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Indigestion is usually accompanied by constipation and is aggravated by it. Chamberlain's Tablets cause a gentle movement of the bowels, relieving the constipated condition.

Why Father Worked.

A boy of twelve asked his father the other day if he liked to work.
"Of course," was the reply, "but that's a queer question; why do you ask it?"
"Because I want to hear your answer."
"I like to work for one reason: because I've got to work to earn money so I can take care of myself and family. Who'd take care of you and mamma if I didn't work?"
"What are poorhouses for?"
"They're not for lazy people who can work and won't. Besides, if I didn't work there would be no fun in loafing."

BEFORE THE COOLNESS.

"Aw! I wuz a flossy guy wunst. I uster smoke quarter cigars."
"Wot wuz de matter—wuz de sports too stingy to 'trow away half ones?"

A Nation's Soul.

A nation's very much like a man. Its courage often needs a test. From trials of the soul we can determine which loves honor best.

TO PREVENT "FLU"

Prof. Pernot, city bacteriologist of Portland, gives the following advice to those who would be free from Spanish influenza: "I am of the opinion that an excellent and safe preventive of the Spanish influenza would be to take nasal douches and gargles twice daily of a weak solution of calcium hypochlorite. There is a very excellent preparation of this on the market under the proprietary name of

'B-K'

This is a very strong solution and could be used in the proportion of 10 to 15 drops of the solution to one-half glass of water. I suggest this because the solution is about 10 times as strong as carbolic acid and is not injurious to the tissues."

Attention!

Attention is called to the following: We are again threatened with the flu, a disease very contagious and fatal. We do not like to close the schools, but unless parents are diligent in watching over the health of the children we may be compelled to do so. When a child manifests any symptoms of the disease he or she should be kept away from school and closely confined at home until the symptoms disappear.

Unless this is strictly complied with and the disease stamped out the schools and all public gatherings will have to be closed.
