SALTS FINE FOR ACHING KIDNEYS
We eat too much meat which clogs Kidneys, then the Back hurts.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.
You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.
Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.
A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.His Summer Name.
One day William, while visiting his grandmother, met the woman across the hall with her little dog. William inquired what she called the dog and she replied: "We call him Zero because we got him in the winter." William then asked: "Well, if you call him Zero in the winter what do you call him in the summer?"Happiness Above All.
He is a fool and worse than a fool who trades his happiness for any other thing that the world has to offer. If, with a crust you are happy, do not trade the crust for a feast. If you buy a fortune with a penny and lose happiness, you have made the worst of bargains.—Aristotle.Daily Thought.

When red, rough and itching with hot baths of Cuticura Soap and touches of Cuticura Ointment. Also make use now and then of that exquisitely scented dusting powder, Cuticura Talcum, one of the indispensable Cuticura Toilet Trio.—Adv.**SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL**
No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out without a particle of pain or soreness.
This drug is called freezone and is a compound of ether discovered by a Cincinnati man.
Ask at any drug store for a small bottle of freezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous.
Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers. This drug freezone doesn't eat out the corns or callouses but shrivels them without even irritating the surrounding skin.
Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezone have him order it for you.—Adv.Yes, Why is it?

These newspaper quotations represent live cattle prices in Chicago on December 30th, 1918.

The list shows price ranges on nine general classified groups with a spread of \$13.85 per cwt.—the lowest at \$6.50 and the highest at \$20.35.

Why this variation in price? Because the meat from different animals varies greatly in quality and weight.

Although the quotations shown are in nine divisions, Swift & Company grades cattle into 34 general classes, and each class into a variety of weights and qualities.

As a result of these differences in cattle prices, (due to differences in weights and meat qualities), there is a range of 15 cents in Swift & Company's selling prices of beef carcasses.

These facts explain:
1—Why retail prices vary in different stores.
2—Why it would be difficult to regulate prices of cattle or beef.
3—Why it requires experts to judge cattle and to sell meat, so as to yield the profit of only a fraction of a cent a pound—a profit too small to affect prices.

Swift & Company, U.S.A.

A Letter from Bossy
If a cow could speak she would talk about her health as people do—because cows suffer from ailments, little and big, same as human beings.
The most common cow ailments, such as Abortion, Retained Afterbirth, Lost Appetite, Bunches, Scours, etc., result from a diseased condition of the digestive or genital organs. Any of these diseases and many others can be successfully treated or prevented by using Kow-Kure, the great cow medicine.
Feed dealers and druggists sell it—60c. and \$1.20 packages. Free book, "The Home Cow Doctor," sent on request.

Jackson's Masonic Record Lost.
General Jackson was a noted Mason of the War of 1812, and it is claimed that he received his Masonry in an army lodge. As a matter of fact, no absolute record has ever been found of when and where Andrew Jackson was made a Mason. He afterward became grand master of the Grand Lodge of Tennessee. It is believed that the records of a lodge in Tennessee which were burned years ago would show it.**Shedding Light.**
There are persons whose very presence spells cheer and inspiration. There may be times when we can do nothing to help our friends, but we can always be something to help them if our own lamp of faith and love burns clear.
