Peace.

Peace is not an ideal at all; it is a state attendant upon the achievement of an ideal. The ideal itself is human liberty, justice, and the honorable conduct of an orderly and humane society. Given this, a durable peace follows naturally as a matter of course. Without this, there is no peace, but only a rule of force until liberty and justice revolt against it in search of peace.—N. M. Butler.

Care of the Telephone.

The telephone is a fine receptacle for germs of every kind, and little attention is paid to sterilizing this much used machine. It should be washed out with alcohol as often as required, and to keep the dust out of it make a small round cover of soft leather or heavy cloth and stitch a broad ribbon around the edge, through which can be run a drawing string or elastic. Put this over the transmitter.

Merely a Superstition.

There is no kind of a rod, or instrument, which will locate minerals in the earth with any degree of certainty. Sometimes a bed of iron ore will affect the magnetic needle of a compass, or of a surveying instrument, but there is nothing that will locate the precious metals.

Didn't Suit Carolyn.

Carolyn was fond of sweet corn. One day while the family was seated at the table her mother said: "Carolyn, I think you have had enough corn." Carolyn looked up earnestly at her mother as she said: "Mother, I hate for you to do my thinking."

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is mussy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

With the Fingers! Says Corns Lift Out Without Any Pain

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn or callous the soreness is relieved and soon the entire corn or callous, root and all, lifts off with the fingers.

Freezone dries the moment it is applied, and simply shrivels the corn or callous without inflaming or even irritating the surrounding tissue or skin. A small bottle of freezone will cost very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callous. If your druggist hasn't any freezone he can get it at any wholesale drug house for you.—Adv.

All Biblical Towns.

It was at Lydda, which was "nigh unto Joppa," that Peter restored Aeneas, "who had kept his bed eight years and was sick of the palsy," and it was, of course, in Joppa itself that Peter restored Tabitha to life. Here also he lodged for a time "with one Simon a tanner, whose house is by the seaside," and it was here that he saw the wonderful vision which taught him the universality of Christianity.

An Inside Bath Makes You Look and Feel Fresh

Says a glass of hot water with phosphate before breakfast keeps illness away.

Physicians the world over recommend the inside bath, claiming this is of vastly more importance than outside cleanliness, because the skin pores do not absorb impurities into the blood, causing ill health, while the pores in the ten yards of bowels do.

Men and women are urged to drink each morning, before breakfast a glass of hot water with a teaspoonful of limestone phosphate in it, as a harmless means of helping to wash from the stomach, liver, kidneys and bowels the previous day's indigestible material, poisons, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

Those who wake up with bad breath, coated tongue, nasty taste or have a dull, aching head, sallow complexion, acid stomach; others who are subject to bilious attacks or constipation, should obtain a quarter-pound of limestone phosphate at the drug store. This will cost very little but is sufficient to demonstrate the value of inside bathing.—Adv.

EAT LESS MEAT IF BACK HURTS

Take a glass of Salts to Flush Kidneys if bladder bothers you.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

Pulse in Animals.

The normal pulse beats per minute in the domestic animals are as follows: Horses, 36 to 42; cattle, 38 to 50; sheep, goats and hogs, 70 to 80; dogs, 80 to 100. The pulse beats faster in young than in old animals. Excitement and a nervous temperament may cause a more rapid pulse. When exercising and immediately after, the rate is higher than when the animal is at rest.
