

BAD BREATH

DO YOU WANT your friends to avoid you? They will certainly do so when your breath is bad. There is no excuse for anyone having a bad breath. It is caused by disorders of the stomach which can be corrected by taking Chamberlain's Tablets. Many have been permanently cured of stomach troubles by the use of these tablets after years of suffering. Price 25 cents per bottle.

Book of the Universe.

It is from the study of the true theology that all our knowledge of science is derived, and it is from that knowledge that all the arts have originated. The Almighty Lecturer, by displaying the principles of science in the structure of the universe, has invited man to study and to imitation. It is as if he had said to the inhabitants of this globe that we call ours, "I have made an earth for man to dwell upon, and I have rendered the starry heavens visible to teach him science and the arts. He can now provide for his own comfort, and learn from my munificence to all to be kind to each other."—Thomas Paine.

Land of the Beyond.

There is a country into which there is today a yearly immigration with which no other country in any age has had anything to compare. Every year 35,000,000 of people—the equivalent of one-third the population of the United States—enter its ports and crowd its territory as newcomers and colonists. Every month 3,000,000 are numbered as fresh arrivals. Every twenty-four hours there are 100,000. And this has been going on and will continue century after century. For the country in question is the Land of the Beyond, that is on the other side of the grave.

WIN \$3 A WORD BY WRITING A VICTORY SLOGAN

Good Victory Liberty Loan slogans are wanted by the general publicity committee of the Twelfth Federal Reserve District with headquarters in San Francisco. The committee will pay as high as \$3 a word. First prize will be \$30, second prize \$20, and third prize, \$10. Slogans should be limited to 10 or 12 words. Send all slogans to SLOGAN EDITOR, Room 301, 430 California Street, San Francisco, California. The contest closes Saturday, March 22.

Your boy will be a better man than you are if you give him a weekly allowance for Thrift Stamps. Let him buy them himself.

That Terrible Headache

Do you have periodic attacks of headache accompanied by sickness of the stomach or vomiting, a sallow skin and dull eyes? If so, you can get quick relief by taking Chamberlain's Tablets as directed for biliousness, and you may be able to avoid these attacks if you observe the directions with each package.

Their Wives Work.

The most amusing thing at the fair is the poultry show. Not that it is a joke by any means, for it is an exhibit of which any state might well be proud, but the amusing part is the swelled-up arrogance of the roosters, shown along with the working members of the harem, the hens. The latter are demure and quiet, attending strictly to business, taking their food and sipping the water from the cups, just as though they were at home. On the other hand each and every rooster seems to think he is the cock of the walk, and he advertises this idea on every occasion.

The Limit.

"His wife drives the gas car and he has to ride in the tonneau."
"That's nothing. I know a man whose wife can beat him playing golf."

When the Fat Years Return

By F. C.

Ambulance 1-86, Western Front.

When the fat years return, and, rich and free,
You half forget, as men have ever done,

The price once paid for your security,
Thinking too much of fortune lost or won.

Too much of pride and laughter, food and ease,
Or of some public favor cheaply earned,

Oh, then turn back the page and think of these
Who gave their bodies for freedom to be burned—

For these lived, too; they, too, loved ease and laughter,
Sunlight, the green earth. All that you still keep

They had, and more—vision. If you come after
And dare forget them, buried so young, so deep,

And dare forget this faith for which they stood—
Ah, but you will not, being of their blood!

—The Outlook.

The one safe rule for the average person is to expect and prepare to wear glasses for reading not far from the age of forty. There are no unsightly lines in Kryptok lenses and they aid the eye and conserve its efficiency.
