

THE WAR IS OVER

All signs point to continued opportunity and prosperity for the American farmer. High prices for grains and big demand for all foodstuffs are his main inducements for continued increased production. The ending of the war has released for farm financing millions of dollars until recently required in other directions. It will release for farm work before next season thousands of "The Boys" taken from the farms. These things combined will enable the farmer to take advantage of his unusual opportunities.

The monthly shipment of made-up goods for the French orphans was sent yesterday by the Red Cross. The work now will be much easier, as the material is gray outing flannel. The help of more ladies is very much needed.

We have a good supply of mill run at \$49 a ton, ground barley at \$55 a ton, dairy chop at \$40 a ton, alfalfa meal at \$45 a ton, and coconut meal at \$60 a ton at our warehouse at Shedd, Thompson's Flouring Mills.

Silos—Leave your orders at the lumber yard. Special prices.

Try This for Sour Stomach

Eat slowly, masticate your food thoroughly. Eat but little meat and none at all for supper. If you are still troubled with sour stomach take one of Chamberlain's Tablets before going to bed.

The one safe rule for the average person is to expect and prepare to wear glasses for reading not far from the age of forty. There are no unsightly lines in Kryptok lenses and they aid the eye and conserve its efficiency.

Better than Pills

YOU WILL NEVER wish to take another dose of pills after having once used Chamberlain's Tablets. They are easier and more pleasant to take, more gentle and mild in their action and more reliable. They leave the bowels in a natural condition, while the use of pills is often followed by severe constipation, requiring a constant increase in the dose. Every bottle guaranteed by your druggist.
