W. F. Reiner arrived from Portland Tuesday evening to look after the equipment of the building formerly occupied by the Halsey Confectionery, which is to be used as a cream station. A lease has been taken by the Union Meat Co., which for several months has been housed in the McCully building. Mr. Byerley, local agent for the Union Meat Co., considers the Reiner building better suited to his needs.

Enoch Cunningham brought home from France the steel hat worn by him during his war service and also his gas mask. These articles together with some cartridges such as were used in tank guns have attracted much attention at Clark's Confectionery the past week. Several dents in the steel hat suggest bullets, but "Pick," who is too honest to be a stage hero, says they were made with rocks. Anyway it was simply a matter of luck that they were not made by bullets and that they did not go plumb through.

Christian Church Notes

The beautiful weather of last Sunday brought us two fine audiences and we were pleased to have with us those who have been unable to attend during the rainy spell. We were very glad to welcome, among others, three of "the boys," Enoch Cunningham, Al Savage and Seabert Walker. These home-coming days are sure pleasant.

The topic for discussion at the Bible school hour, 10 a. m., next Lord's Day will be "Our Responsibility toward Offenders." Josh. 20. Come and take part.

The service at 11 a. m. will be devoted to the interests of the C. W. B. M. A special program of music is being arranged and the sermon will prove of particular interest to women and all interested in mission work. "The Ministry of Woman" is the theme. There will be a special collection in support of the work of the society.

The C. E. society meets at 6:30 p. m. and a good time is assured.

The sermon topic for the evening service at 7:30 is "Ecce Homo" and will contain a special message for men. A cordial invitation is extended to all.

Bro. Phillips favored us Sunday evening with the beautiful solo, "I Heard the Voice of Jesus Say," which was very much enjoyed by all present.

"In the course of justice none of us should see salvation: we do pray for mercy; And that same prayer doth teach us all the deeds of mercy." — Shakespeare.

Forgot What He Needed

From the Republican, Mt. Gilead, Ohio: The editor had an interesting experience some time ago, when a young gentleman came to this office and asked for a copy of the Morrow County Republican. He scrutinized it carefully when a copy was handed him, and then said: "Now I know!" "What is it you are looking for?" we enquired. "My wife sent me after a bottle of Chamberlain's Cough Remedy, and I forgot the name. I went to several stores and the clerks named over everything in the line on the shelf except Chamberlain's. I'll try again, and I'll never go home without Chamberlain's Cough Remedy." The Republican would suggest to the proprietors of stores that they post their clerks, and never let them substitute. Customers lose faith in stores where substituting is permitted, to say nothing of the injustice to makers of good goods and the disappointment of customers.

Raymond Southern is home. Mr. and Mrs. C. E. Gulliford were at Albany Friday.

Mr. and Mrs. Geo. Laubner visited the county seat Friday.

Complimented guests were Miss Frisbee, Miss Showalter, Miss Graves, Miss Hartzog and Mrs. Drinkard. A drive to raise money for the Y. W. C. A. work in Oregon is being made this week under the management of the Club. Mrs. D. S. McWilliams will be hostess March 20.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Halsey Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Halsey Catarrh Medicine. Circulars free. All Druggists. TCo. F. J. CHENEY & CO., Toledo, O.
