SAGE TEA TURNS GRAY HAIR DARK
It's Grandmother's Recipe to Bring Back Color and Luster to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can't to this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

Greedy for Wasps.
The common green frog has been discovered to possess an insatiable greed for wasps. This extraordinary appetite does not seem to be in the least checked by an occasional sting. The protecting color of the frog, which sits motionless upon leaves, no doubt deludes the most wary of insects into sense of security.—Louisville Courier Journal.

Laugh When People Step On Your Feet
Try this yourself then pass it along to others. It works!

OUCH ! ! ! ! ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender, aching corn or hardened callous stops soreness at once, and soon the corn or callous dries up and lifts right off without pain.

He says freezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezone will cost very little at any drug store, but will positively remove every hard or soft corn or callous from one's feet. Millions of America's women will welcome this announcement since the inauguration of the high heels. If your druggist doesn't have freezone tell him to order a small bottle for you.—Adv.

How Great Poems Were Written
Two of the greatest poems in the language were written by chums competing against each other in friendly rivalry. They undertook to work at these poems for six months and then compare results. Keats went to the Isle of Wight and wrote "Endymion," and Shelley went to Marlow and, lying in a boat on the Thames, wrote "The Revolt of Islam."

Babylon in its Prime.
At the time the priests betrayed Nebuchadnezzar and permitted Cyrus to enter the city of Babylon, the students were learned in astrology, kept time with sun dials, and a water clock by night, fashioned rude telescopes; and the rich had perfected a system of entertainment never equaled in lavishness.

IF BACK HURTS BEGIN ON SALTS
Flush your kidneys occasionally if you eat meat regularly.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

An Awful Break.
Squiggs—"Well, I see that porch climber finally escaped from jail. Broke out, I understand." Squaggs—"Say, now, for the love of billyclubs and badges, don't hand us that old stuff about measles." Squiggs—"Wouldn't think of such a thing; this fellow broke out with chickenpox."

Brogue.
Brogue occurs when an entire population of alien blood or tongue acquires the tongue language of its conquerors or its subjects or its neighbors, as the case may be; and acquires it, naturally, with a difference, importing into the foreign speech many of its own native peculiarities.

Egyptians Invent Bells.
The invention of bells is attributed to the Egyptians, who are credited with having made use of percussion instruments to announce the sacred fetes of Osiris.

Daily Thought.
Chance is a word void of sense; nothing can exist without a cause.—

Not as a Rule.
Sometimes two slang expressions may sound much alike, yet have very different meanings. For example, when a man tumbles to a thing he does not fall for it.—Youth's Companion.

Thirteen.
Thirteen was the sacred number of the Mexicans and the ancient people of Yucatan. Their week had 13 days and they had 13 snake gods.

Optimistic Thought.
I regret often that I have spoken, never that I have been silent.

THAT CHANGE IN WOMAN'S LIFE
Mrs. Godden Tells How It May Be Passed in Safety and Comfort.

Fremont, O.—"I was passing through the critical period of life, being forty-five years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. GODDEN, 925 Napoleon St., Fremont, Ohio.

Such annoying symptoms as heat flashes, nervousness, backache, headache, irritability and "the blues," may be speedily overcome and the system restored to normal conditions by this famous root and herb remedy Lydia E. Pinkham's Vegetable Compound.

If any complications present themselves write the Pinkham Medicine Co., Lynn, Mass., for suggestion how to overcome them. The result of forty years experience is at your service and your letter held in strict confidence.
