

Children's Ailments

DISORDERS of the stomach and constipation are the most common diseases of children. To correct them you will find nothing better than Chamberlain's Tablets. One tablet at bed time will do the work and will make your child bright and cheerful the following morning. Do not punish your children by giving them castor oil. Chamberlain's Tablets are better and more pleasant to take.

The Doctor Away from Home when Most Needed

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like pain in the stomach and bowels, colic and diarrhoea require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save your life.

The one safe rule for the average person is to expect and prepare to wear glasses for reading not far from the age of forty. There are no unsightly lines in Kryptok lenses and they aid the eye and conserve its efficiency.

NOTICE OF PROPOSED IMPROVEMENT

In compliance with Section 60 of Chapter XI of the Special Laws of the City of Halsey, notice is hereby given that the Common Council of the City of Halsey at their regular meeting on Monday, June 9, 1919, ordered the improvement of First Street in the City of Halsey as follows: Commencing at the Brownsville-Peoria road and extending throughout the length of said street to the county road which adjoins the property of Mrs. Dougherty in South Halsey a yard of gravel shall be laid to each ten feet of road bed.

by order of the Council,
C. P. STAFFORD,
Recorder of the City of Halsey.

A Community Sing?

It has been suggested by some prominent citizens of Halsey that our town should indulge in an occasional community sing. Mr. C. H. Phillips has signified his willingness to lead in an effort to retain that spirit of song that had so much to do with the successful participation of America and her allies in the late war. All those interested, and particularly the members of the local orchestra, are asked to communicate with either Mr. Phillips or some member of the Study Club that a responsible committee may be elected at an early date.

Picnic at Shedd Tomorrow

Bills are out announcing a big day at Shedd Friday, June 13, with the Nicholls Concert Band as chief entertainer. It is to be an all day affair—one grand round of festivity—picnic dinner, ball games, sports and pastimes, music, and addresses by Corp. Devereaux, just home from service in France.

We make a specialty of friendship, engagement and wedding rings. F. M. French & Son, Jewelers and Engravers, Albany.

Wool Wanted—W. H. Kirk is buying wool and mohair for the Portland Woolen Mill. Highest market prices paid. See him at the Halsey Garage.

Chronic Constipation

Perhaps you have never thought of it, but this disorder is due to a lack of moisture in the residual matter of the food. If you will drink an abundance of water, eat raw fruits and take lots of outdoor exercise, you may be able eventually to overcome it entirely. In the meantime use the most mild and gentle laxatives. Strong and harsh cathartics take too much water out of the system and make a bad matter worse. Chamberlain's Tablets are easy and pleasant to take, and agreeable in effect. Give them a trial.
