Executions Went On.

Some years ago the executioners of
Canton struck against striking off any
more heads unless they were paid an
extra shilling for each head removed.
The prisoners in the condemned cells
were anxious that the strike should
continue until the crack of doom, but
the authorities climbed down and the
executions went on as merrily as be-
fore.

To Get Rid of Roaches.

The United States department of ag-
riculture considers ridding a house of
roaches important enough to give in-
structions how to accomplish this. Mix
equal parts of sodium fluoride and
flour (or starch). Use like ordinary
roach powders, forcing it into crevices,
sprinkling it around drain pipes, etc.

Don't Meet Them Often.

"Is it always the husband's fault?"
asks a magazine advertisement. Well,
of course, there are some things with
which husband never had anything to
do. But they are rare.—Kansas City
Star.

Cork Substitute.

A good substitute for cork is ob-
tained from certain fungi, which are
dried and ground, mixed with cement
and consolidated by pressure.

Faults.

Do not think of your faults; still
less of others' faults; in every person
who comes near you, look for what is
good and strong; honor that; rejoice
in it, and as you can, try to imitate it;
and your faults will drop off like dead
leaves, when their time comes.—
Ruskin.

Could Verify Statement.

"There are songs," said the mu-
sician, "that never, never die. They go
ringing down the ages." "That is true,
sir," Brown replied. "For the past
six months and upward I have heard
my daughter try to kill two or three
each evening, but they never, never
die."

It is estimated that four miles of

weigh scarcely a grain.

National Faults.

The guilt of every national sin
comes back to the voter in a fraction,
the common denominator of which is
several millions.—Lowell.

Sure! High Heels

Cause Corns But
Who Cares Now

You reckless men and women who
are pestered with corns and who have
at least once a week invited an awful
death from lockjaw or blood poison
are now told by a Cincinnati authority
to use a drug called freezone, which
the moment a few drops are applied
to any corn or callous the soreness is
relieved and soon the entire corn or
callous, root and all, lifts off with the
fingers.

Freezone dries the moment it is ap-
plied, and simply shrivels the corn or
callous without inflaming or even ir-
ritating the surrounding tissue or skin.
A small bottle of freezone will cost
very little at any of the drug stores,
but will positively rid one's feet of
every hard or soft corn or hardened
callous. If your druggist hasn't any
freezone he can get it at any whole-
sale drug house for you.—Adv.

WISDOM IN SAVING.

A man may, if he knows not how to
