Where Gold is Found.
India's production of gold is principally from Mysore. Russia is the oldest gold-producing country in the world. Mining is carried on principally in the Ural mountains, but climatic conditions impede progress. Mexico has many mines, but labor troubles have a restrictive influence on the industry. Other countries which produce gold in small quantities are China, Japan, Chile, Peru, Persia and Hungary.

How Chinaman Drinks Tea.
The Chinaman in preparing tea places a pinch of leaves in a Chinese teacup, which is without a handle, pours boiling water over them and places the cover on the cup. In a few seconds the tea is ready for drinking; the covered cup is raised to the mouth, and, with the fingers of the hand holding the cup, the lid is moved just sufficiently to permit the liquid to flow into the mouth as the cup is tilted.

Piston Rings.
Piston rings, of which millions are used yearly, are shaped by centrifugal action from molten metal in the special machine of DeLaval. In tests at Columbia university, it has been shown that these rings are not only made faster than by other methods, but are actually stronger and more resilient than rings of the same chemical composition cast in sand. The microscope reveals a more uniform and finer structure.

Know Only Two Seasons.
There are but two seasons—the wet and the dry—at the equator in Africa. The former (summer) lasts eight months, with the thermometer averaging from 110 to 125 degrees Fahrenheit. During the dry or "cold" season of four months the thermometer stands at about 70 degrees. It is then that the natives, who have been hived in their bamboo huts so long by the rain, desert their towns and set out for the forests and jungles.

SUFFERING CATS!
GIVE THIS MAN THE GOLD MEDAL
No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out without a particle of pain or soreness. This drug is called freezezone and is a compound of ether discovered by a Cincinnati man.
Ask at any drug store for a small bottle of freezezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callous.
Put a few drops directly upon any tender, aching corn or callous. Instantly the soreness disappears and shortly the corn or callous will loosen and can be lifted off with the fingers. This drug freezezone doesn't eat out the corns or callouses but shrivels them without even irritating the surrounding skin.
Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezezone have him order it for you.—Adv.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat which clogs Kidneys, then the Back hurts.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.
You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.
Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.
A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Allen's Foot-Ease Does It.
When your shoes pinch or your Corns and Bunions ache, get Allen's Foot-Ease, the antiseptic powder to be shaken into shoes and sprinkled in the foot-bath. Gives instant relief to Tired, Aching, Tender Feet. Sample FREE. Address Allen S. Olmsted, LeRoy, New York.

Most Costly Map.
The most costly map in the world is a map of France which was presented to the republic by the czar of Russia when the Franco-Russian alliance was consummated. The groundwork of the map is polished jasper and the chief towns are represented by precious stones and their names inscribed in gold. The rivers are strips of polished platinum, and the 87 departments are set out on a wonderful scheme of blazing gems.

Daily Thought.
There is no better ballast for keeping the mind steady on its keel and saving it from all risk of creakiness than business.—Lowell.

"BEST MEDICINE FOR WOMEN"

What Lydia E. Pinkham's Vegetable Compound Did For Ohio Woman.

Portsmouth, Ohio.—"I suffered from irregularities, pains in my side and was so weak at times I could hardly get around to do my work, and as I had four in my family and three boarders it made it very hard for me. Lydia E. Pinkham's Vegetable Compound was recommended to me. I took it and it has restored my health. It is certainly the best medicine for woman's ailments I ever saw."—Mrs. SARA SHAW, R. No. 1, Portsmouth, Ohio.

Mrs. Shaw proved the merit of this medicine and wrote this letter in order that other suffering women may find relief as she did.

Women who are suffering as she was should not drag along from day to day without giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice in regard to such ailments write to Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its forty years experience is at your service.
