

Better than Pills

YOU WILL NEVER wish to take another dose of pills after having once used Chamberlain's Tablets. They are easier and more pleasant to take, more gentle and mild in their action and more reliable. They leave the bowels in a natural condition, while the use of pills is often followed by severe constipation, requiring a constant increase in the dose. Every bottle guaranteed by your druggist.

Methodist Church Notes

Sunday school lesson: The Significance of Baptism. "For as many of you as were baptized into Christ did put on Christ."—Gal. 3:27. All who accept Jesus should be baptized in his name. The aim of the lesson is to make clear the significance of baptism as an early and permanent rite of the church.

Last Sunday we had up for general discussion a topic on the Sunday school work which brought out some good thoughts from different angles and a live discussion which will cause people to think. Come again next Sunday at the close of the S. S. We are going to have another one on a subject that is vital and of much importance. Everybody!!

Miss Lavelle Penland of Oakland, Cal., is spending a nice vacation here with her grandparents and other relatives.

Mr. Johnnie Standish arrived Monday evening from his home at Cleiv, Mont. O. how our Sunday school boys do grow up! Johnnie is a worker and will soon be helping someone who needs a hand. He will probably enter our high school this fall.

Last Monday Bro. Cain plowed corn seven hours, made some calls and led prayer meeting, all the same day. His nose looked like he had been participating in the preliminaries attending the funeral of old John Barleycorn.

THE REASON.

It seemed that when Rastus and Sam died they took different routes; so when the latter got to heaven he called Rastus on the phone.

"Rastus," he said, "how 'ya' like it down there?"

"Oh, boy! Dis here am some place," replied Rastus. "All we has ter do is to wear a red suit wid' horns, an' eb'ry now an' den shovel some coal on de fire. We don't work no more dan two hours out ob de twenty-four down here. But tell me, Sam, how 's it with you up yonder?"

"Muh goodness! We has to git up at fo' o'clock in de mawnin' an' gathah in de stahs; den we has to haul in de moon and hang out de sun. Den we has ter roll de clouds aroun' all day long."

"But, Sam, how come it 'y' has ter work so hard?"

"Well, to tell de truf, Rastus, we's kin' o' short on help up here."

A Diplomat.

Miss Strongarm—I'll show you you can't fire me that way even if I do spell a few words wrong an' get balled up in my notes sometimes.

Mr. Littleneck—My dear lady, you have the wrong idea. I am releasing you merely because I have a very jealous wife and she won't allow me to have a beautiful stenographer in my office.

Mrs. Burns' Letter

Here is a letter that is certain to prove of interest to people in this vicinity, as cases of this sort occur in almost every neighborhood, and people should know what to do in like circumstances:

Savannah, Mo., Oct. 12, 1916.
"I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint some three or four years ago and a few doses of this remedy cured me. I have recommended Chamberlain's Colic and Diarrhoea Remedy to dozens of people since I first used it."

The one safe rule for the average person is to expect and prepare to wear glasses for reading not far from the age of forty. There are no unsightly lines in Kryptok lenses and they aid the eye and conserve its efficiency.

Christian Church Notes

At the Bible school hour last Sunday a very good attendance participated in the occasion of the first of the new quarter's series of lessons on vital themes in the cause of christianity. The adult class had 100% present, a fine start for the banner. Next week the topic is "Baptism," one having much room for keen discussion. Every Class 100% is the slogan.

The morning service was particularly well attended and we were pleased to have so many visitors and friends with us, among whom may be mentioned Miss Victoria Soderstrom of Albany.

Next Lord's Day at 11 Bro. Phillips will speak on "One Church for Halsey; which?" and promises a fair discussion of the problem of church unity without rancor or rant. This theme will be preparatory to the topic for the C. E. hour, 7:30 p. m.

Song service and worship at 8:30. Sermon topic—Come to this service and accept our invitation to all the others.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.
