

NOTHING that we could say would so thoroughly convince you of the value of Chamberlain's Tablets as a personal trial. We can tell you of thousands who have been permanently cured of chronic constipation, indigestion, biliousness, sick headache and disorders of the stomach and liver, but this will have little weight with you as compared to a personal trial. That always convinces.

The Halsey Enterprise

An Independent Newspaper

PUBLISHED EVERY THURSDAY

D. H. TALMADGE, Editor

Entered as second-class matter October 3, 1912, at the post office at Halsey, Oregon, under the Act of March 3, 1879.

Devoted to the material upbuilding of Halsey and surrounding country and Linn county generally. Subscription rate \$1.50 per year in advance.

It is all right of course to blow about your town, but we are not entirely convinced that it isn't better to let a good brass band do it.

Governor Ben Olcott evidently enjoys being up in the air. It is more of a novelty to him than to some other gentlemen associated with political life in Oregon.

Bro. Wheeler, who about four weeks ago took charge of the Times at Brownsville, was burned out of a home Saturday, the cottage occupied by himself and wife having been in the path of the big fire. In view of this fact the Times of this week may reasonably be expected to contain a fire story worth reading.

Many a young woman who deserves a good man for a life companion has jumped in at a tender age and married a Johnny and gone through life embarrassed the rest of her days, laments the Junction City Times. True enough, but why confine the warning to the girls? There is such a thing as a female Johnny and the deserving young man who marries one of 'em is in a worse fix than the young woman mentioned. We leave it to a vote of the Enterprise readers.

Mrs. Burns' Letter

Here is a letter that is certain to prove of interest to people in this vicinity, as cases of this sort occur in almost every neighborhood, and people should know what to do in like circumstances:

Savannah, Mo., Oct. 12, 1916.
"I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint some three or four years ago and a few doses of this remedy cured me. I have recommended Chamberlain's Colic and Diarrhoea Remedy to dozens of people since I first used it."

Farmers Meet

The regular quarterly meeting of the Linn County Farmers Educational and Co-operative Union met at Lake Creek Saturday, July 12. President Smith of Sweet Home presided. Rev. Sutton of Peoria welcomed the delegates and visitors to Lake Creek. Among the locals represented were Alford, Lacombe, Riverside and Sweet Home. Various subjects were discussed, especially the Canada thistle and the labor problem. County Agent Smith was present and gave valuable help and information. Dinner was served by the ladies of Lake Creek local, after which a short program of songs, music and drills was given. Mrs. Helen Miller, an accomplished violinist of Corvallis, added much to the afternoon's entertainment.

Dr. Garnjost is sending to the state chemist this week samples of the Halsey city water for analysis.

Worse and worse! We thought it was simply hot Monday, but the Oregonian says it was "a dissemination of atmospherical calories."

Lame Shoulder

This ailment is usually caused by rheumatism of the muscles. All that is needed is absolute rest and a few applications of Chamberlain's Liniment. Try it.

Eve's Leaves.

Yet Eve was not, we'll take our oaths. A wholly happy kid; The moths could never eat her clothes— But, oh! the cutworms did!

After the Battle.

The Man Who Missed It—"How many seconds did the kid have?" The Man Who Saw It—"He started with two and then, in the first round, the referee gave him ten more and it was all over."

No Wonder.

"I came across a man the other day who had cleaned out a bank, and nothing was done to him." "Why not?" "Because he was the janitor and had to do."
