The Halsey Enterprise

An Independent Newspaper

PUBLISHED EVERY THURSDAY

CHAS. BALLARD, Editor

Entered as second-class matter October 3, 1912, at the post office at Halsey, Oregon, under the Act of March 3, 1879.

Devoted to the material upbuilding of Halsey and surrounding country and Linn county generally. Subscription rate \$1.50 per year in advance.

Announcement.

With the issue of July 24 the ENTERPRISE passes into the hands of Chas. Ballard, of Portland, and D. H. Talmadge steps down and out.

The explanation of this is very simple. The ENTERPRISE property and field is just what Mr. Ballard has been looking for. He accepted the terms. He will settle here, buy his groceries, his meat, his dry goods, his hardware, everything here. He is a newspaper man of experience and he will broaden the field of the ENTERPRISE and will, we believe, give Halsey and the splendid district surrounding it a better paper than they have ever had before.

We do not like to leave Halsey. The people here have treated us well, far better, we have sometimes thought, than we deserved. We are grateful for this. But circumstances seem to make a change necessary, and so we accept the situation and pass on to work elsewhere, commending our successor to the good graces of the Halsey people, and trusting that the future may bring much of good to all of them.

D. H. Talmadge.

Introductory.

It is with pleasure that I make my initial bow to the people of Halsey. While I have been in the newspaper game a long time, yet it has been many years since I took a hand at it. In view of that fact if I do not come up to my predecessor's predictions, I hope the patrons will bear with me until I get broke into the harness again. I realize that the business of a local newspaper, is to print the local news, and I will do my best to secure that news. As I am a stranger in your midst I will have to depend to a considerable extent on the people of Halsey to furnish the local items. So if any one knows of any local happenings I will appreciate it if he will tell me about it.

The paper will continue to be independent as heretofore, its columns will be open to any one who can speak a good word for Halsey, or who has any thing to propose for the betterment of the place. An old preacher once gave advice to a young preacher as follows: "No matter what your subject may be, never preach a sermon without speaking a good word for Christ." While this paper will not be conducted as a religious paper, I hope to have a good word in each issue for Christ. On the whole I hope to continue the paper as a clean sheet that no one need ever be ashamed to have in his house, and with the co-operation of the citizens of the place I will expect to give you a wideawake, progressive paper.

Now with a strong pull and a pull all together, let us move forward as much as possible, and take care that there be no retrograde action. Yours truly,
Chas. Ballard.

We notice that Brownsville had a very destructive fire on July 11. Suppose it had been Halsey instead of Brownsville where the fire broke out, what arrangements has Halsey for combating fire? If it is prepared (we speak from a stranger's standpoint) all well and good. If not, it behooves us to get a hustle on us and make adequate preparations for anything like that, for it is an old time proverb that "An ounce of prevention is worth a pound of cure."

Lame Shoulder

This ailment is usually caused by rheumatism of the muscles. All that is needed is absolute rest and a few applications of Chamberlain's Liniment. Try it.

We were very much surprised when we came to Halsey Saturday to see Mr. and Mrs. Neil and their son and daughter. We were acquainted with this excellent family in Washington.

The Joy of Living

To enjoy life we must have good health. No one can reasonably hope to get much real pleasure out of life when his bowels are clogged a good share of the time and the poisons that should be expelled are absorbed into the system, producing headache and indigestion. A few doses of Chamberlain's Tablets will move the bowels, strengthen the digestion and give you a chance to realize the real joy of living. Try it.

Our first Sunday morning in Halsey we attended the Methodist church and heard Rev. Cain give a discourse on the words of Peter, when, in reply to Christ's asking him what other men thought of him and who Peter himself thought that Jesus was, Peter replied: "Thou art the Christ the Son of God." Rev. Cain gave a very practical sermon on the text.

Mrs. Burns' Letter

Here is a letter that is certain to prove of interest to people in this vicinity, as cases of this sort occur in almost every neighborhood, and people should know what to do in like circumstances:

Savannah, Mo., Oct. 22, 1916.
"I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint some three or four years ago and a few doses of this remedy cured me. I have recommended Chamberlain's Colic and Diarrhoea Remedy to dozens of people since I first used it."
