The readers of this paper will be
pleased to learn that there is at least
one dreaded disease that science has
been able to cure in all its stages and
that is catarrh. Catarrh being greatly
influenced by constitutional conditions
requires constitutional treatment. Hall's
Catarrh Medicine is taken internally and
acts thru the blood on the mucous sur-
faces of the system thereby destroying
the foundation of the disease, giving the
patient strength by building up the con-
stitution and assisting nature in doing its
work. The proprietors have so much
faith in the curative power of Hall's
Catarrh Medicine that they offer One
Hundred Dollars for any case that it fails
to cure. Send for list of testimonials.

"Don't Cheat Yourself" says the Good Judge

There's nothing saved
by chewing ordinary
tobacco. A little chew
of that good rich-tasting
tobaccogoes a lot farther,
and its good taste lasts
all the way through.

Little chew—lasting—
satisfying. That's why
it's a real saving to buy
this class of tobacco.
