Uncle Sam's Lecture.

Uncle Sam Hampton of Mon-

tana, put in last week in explain-

ing to Linn county farmers the

benefits to accrue from concert-

ation and systematic farming.

It is estimated that one-third

of the farmers attending his lec-

tures signed up for the farm bu-

reau, which, as we understand

it, cost one dollar to join.

At Halsey, where he spoke

last Friday afternoon, there was

only a small turnout, but it is re-

ported that eleven members

signed up. One reason that our

turnout was small was that there

is a rush to finish up the fall

farm work before the rainy sea-

son sets in, and while there was

a heavy rain on Thursday and

night, yet Friday was an ideal

day to work in the fields and the

farmers felt that they couldn't

well spare the time from them.

Had the meeting been held at

night there would probably have

been a large gathering.

The flag, which is a fine one that would probably cost seven or eight dollars, was awarded to Miss Ida Mitzner's room, and Miss Mitzner being present, the flag was delivered into her hands.

Hon F H Porter and D S Mc Williams counted the votes.

School Notes

The sophomores were disappointed in their program for Monday as the piano was removed from the school house to the city hall, leaving only two parts that could be given without the piano, one being the following original poem by Amanda Mitzner.

THEODORE ROOSEVELT.

There lived a great American
His name you all have heard.
Endeared to us his life has been
One cannot speak the word.
Does your heart not rise to better worth
On the tho't of his voice of cheerful mirth?
Recall his whole life, "A great success"
Ever we'll know him as a pres. of U S.

Retired was he from political life
On account of his waning health.
On January 19 the fateful moment came
Still, tho his memory long shall remain
Even though his voice has ceased,
Very well his duties here he did.
Earnestly working until he would win.
Let us not forget the date of his birth
That sixty-one he be old on October 27th.

Altho these lines are very meek
You all can guess of whom I speak.
The capitals in every line spell
T-H-E-O-D-O-R-E R-O-O-S-E-V-E-L-T.
—Our Mandy.

The freshmen held their meeting Monday night. Anna Heinrich was elected president; Minnie Gourley, vice president; Clarence Gourley, secretary and treasurer; colors are pink and green; class flower, pink rose; motto, "Seize every opportunity."

Roy Farmer started to school Monday, he being the fourth senior.

"Here's a Friendly Tip"

says the Good Judge

Men who know tobacco, chew the best without its costing them any more. They take a little chew and it's amazing how the good taste stays in a rich, high grade chewing tobacco. For lasting tobacco satisfaction, there's nothing like a small chew of that rich-tasting tobacco.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c.

The Prohibition Rally.

Last Thursday night Dr Madison Swadener gave an address at the Methodist church on "American Ideals and World Prohibition." He is a forcible speaker and he held the attention of his audience well while discussing the topic of the day.

Thru a combination of circumstances and mistakes, among which we will mention a very rainy evening, there were not many out.

At the conclusion of the lecture a contest was held as to which of the grade rooms in the school should be entitled to the flag given by the Anti Saloon League of America. There were thirty-nine votes cast, no one but legal voters being entitled to cast a ballot. The votes ran, 18 for Miss Ida Mitzner's room, 16 for Miss Cecil Graves' room and 5 for Mrs Minnie Cross' room.

We are fully equipped with the latest grinding devices, situated in a sanitary shop.
