**Methodist Church Notes**

Sunday school. Witnesses of Christ's glory. This is my beloved son in whom I am well pleased. Hear ye him. Mark, 9: 7.

This lesson shows how Peter, James and John were taken by Jesus away by themselves that they might be given a special revelation and receive special instructions regarding his glory, his mission of salvation by way of the cross. This revelation and instruction was calculated to make those who were able to receive it brave and trustful, willing to hear him and obey him at all times.

Bro Clemo delivered two good sermons last Sunday. The subject of the morning discourse was "The call of Matthew" and the evening subject was "Repentance." The attendance in the morning was good.

The King's Heralds will meet at the church next Saturday at 2 p m. Each member is requested to get their questions, bring a lunch in a paper sack to exchange with some one else and COME for a big time.

We are very sorry about the illness of Janet Boggs and are hoping for her early recovery.

**A Good Cough Medicine For Children.**

Mrs J' W. Phillips, Redon, Ga. phoned to J.M. Floyd' the merchant here for a bottle of Chamberlain's Cough Remedy and she said she had bought a bottle of it at his store recently and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for coughs and colds in children or for your self. It keeps the cough loose, expectoration easy, and soon frees the system from the cold.

**Christian Church Notes**

The attendance at the Bible school hour last Sunday showed a slight increase, sufficient to spur us all on to renewed effort. Do not miss any of the present series of lessons, particularly we would suggest that you come next Sunday and note the rather novel method of conducting the entire service. The lesson on the Transfiguration will prove exceptionally interesting. Come.

Communion service at 11 a m. Sermon topic: "The case of Lydia."

C E topic for Nov 16. Co-operation in Christian service. John 17: 20-23, 1 Cor. 3: 6-10. Leader, Edith Robnett. All members present and bring a friend.

We were very glad to have so many with us last Sunday evening. The entire service was an inspiration to all and many expressed their pleasure at having been there. The singing was unusually good and Bro Phillips brought us a message containing many a helpful thought in these days of unrest. Among the many present one face was particularly welcome, that of Claude McKern, who has returned after nearly three years' service at home and abroad.

"The age of Peace" will be Bro Phillips' topic for next Sunday evening. If you missed last week's sermon don't miss this one. 7:30 p m sharp.

**School Notes**

Lane and Oren Sudtell of the grades are now remaining at home to entertain their guests, "the mumps" for a short time.

A large crowd attended the football game Saturday after-

noon between the Halsey and Jefferson High School football teams. Halsey was victorious with a score of 26 to 21. Altho the Jefferson boys were the larger the Halsey boys were the quicker in action.

The Jefferson boys were accompanied to the train by a large number of the Halsey students.

In the evening the students assembled in front of the school house and gave the serpentine thru town and had a bonfire and toasted marshmallows.

See notice elsewhere of Monday night's reception.

**Only A Cold.**

Are you ill? is often answered "Oh! it's only a cold," as if a cold was a matter of little consequence, but people are beginning to learn that a common cold is a matter not to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of your cold the less the danger, and this remedy will help you throw it off.

**Constipation.**

Most laxatives and cathartics afford only temporary relief and should be used only for that purpose. When you want permanent relief take Chamberlain's Tablets and be careful to observe directions with each package. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.
