## LAXATIVE for Aged People

**THE BANE** of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.

### Nonsense.

(The above is the caption of an article handed in by some of the High School students and is intended for the name of a paper gotten out thru the columns of the Enterprise. Frequency of issue not mentioned but we will state it as tri-ocasionally.)

Entered in the post office as very classy matter.

Just leave it to the Freshmen. They have new ideas (especially in the algebra class.)

Wayne has a special dislike for English, Latin, algebra and science. We will try and find a new course for him consisting of resting, teasing, whispering, monkey shines and smiling. Does any one else wish to join the class?

When in doubt about your lessons see Delos. He gets his own and has time for other people's. (We consider him a very smart boy.)

"I gazed at something,

"T was green as grass,

And found I was looking

In the looking glass."

We are glad summer is over as it means moving, matrimony, malaria and other disagreeable things.

We heard some one singing, "I would leave my happy home for you-oo-oo-oo-oo." Who was it, and who were they singing it to?

We are still patiently waiting for our new High School building. Two in one seat are rather crowded, altho two heads (together) are better than one.

The strains of "Till we meet again" come drifting from the hall, "Beautiful Ohio" floats from Miss Showalter's room, "I'm always chasing rainbows" comes with jerks and bounds from the cloak room, while we are singing "Ja da" in Mrs Bond's room. Any one with "an ear for music" will know what wonderful harmony is in such a combination.

The Freshmen girls resemble autumn leaves seen thru quiet waters. It sounds pretty but doesn't mean anything. Even the leaves won't fall for that.
