SWEET THOUGHTS

When you pass Clark's store think of how appreciative your sweetheart, or wife, or mother, or sister would be if you sent her a box of strictly fresh chocolates or a mixed assortment of fruity sweetmeats. You'll have cause to thank us for this suggestion because we know how it has worked in other cases.

This class of tobacco gives a man a lot more satisfaction than he ever gets out of ordinary tobacco.

Smaller chew—the good taste lasts and lasts.

You don't need a fresh chew so often. Any man who uses the Real Tobacco Chew will tell you that.

Methodist Church Notes

SUNDAY SCHOOL

Peter stands for truth and honesty.

Lying lips are an abomination to Jehovah; but they that deal truly are his delight. Prov 12: 22.

Hypocrisy is hateful to God and man.

This lesson shows that Peter was faithful in church affairs when the church was in trouble; that the greatest dangers to the church are from within rather than from without; that the wages of sin is death.

"Dare to be true, nothing can need a lie;

A fault that needs it most, grows two thereby."

There were some good thoughts brought out at our workers' conference at S S last Sunday. More speakers on the program for next Sunday. Come, and you will be benefited.

The Standard Bearers met at the home of Miss Marie Sneed last week, and had a very interesting time, both socially and religiously. Dainty refreshments were served.

Last Wednesday evening a good crowd of Leaguers met at the church and journeyed in a body to the home of their old scout, Everett Carey, for a surprise, which worked out with lots of fun for all present.

Mrs Ribelin is seriously ill this week. Mrs Southern has been engaged to nurse her.

Mrs Morhinweg has been on the sick list but we are very glad to know that she is able to be up again.

J C Standish left Tuesday noon for San Bernardino, Cali, to care for his son Everett, who is ill, and for which we are all very much grieved. Everett was one of our faithful Baraca boys and was at one time their president.

Last Sunday evening Bro Cain gave us an agreeable surprise by arriving on the evening train. Bro Clemo prevailed on him to occupy the evening hour, which he did in a profitable manner. After visiting friends he left Tuesday morning to attend a district Centenary meeting at Corvallis.

Please remember friends, that our revival meeting begins next Sunday. May we remind ourselves and those in whom we are interested, that the most important business in the world today, is the saving of human souls. We are only passing thru this life but once. What account shall we give of our stewardship?

Christian Church Notes

C E stands for Christian Endeavor, it may also stand for COME EARLY in this same connection. Arthur Robnett has his plans all laid for the contest and it will be the side that "comes early" that will have the best chance of winning. A special invitation is extended to all the young people of Halsey to avail themselves of the splendid opportunities this meeting of the young people offers. No finer resolution can be made, and certainly none can be so helpful if carried out, than to endeavor to live out and help others to live up to the teachings of Jesus Christ. This is the aim of our C E society; come next week; you will be glad you did. The topic is "The World's Need of a Savior." Eph 2: 1-13. Leader, Blanche Forster.

The lovely weather of last Sunday went far to increasing the attendance at all the services of the church, especially the Bible

school and evening service. We were glad to see so many friends of the church present at this service and their testimony to the enjoyable time they spent was very encouraging. The song service was unusually good, or to quote the words of one, "we have regular revival singing every night." If you enjoy soul stirring hymns come out at 7:30 p m next Sunday. The topic is "Some sane reasons for preaching the Gospel."

The morning service will be held in the interests of Christian Education, and a sermon in keeping with this work will be pre-

sented. The members are asked to make a special effort to be out and to contribute to this work.

The board will meet next Sunday at 3 p m. All members are urged to be present as there is much business to be transacted and plans laid for the coming year.

W H Beene, Lena Holgate and son, W A Allen, and Mrs E C Allen went to Springfield Friday.

Claude Davis and family of Albany, visited Saturday with his brother, Harry Davis, and his sister, Mrs L V Chance of near here.
