The doctors have received instructions from the State Board of Health, to quarantine any and all cases of the so-called Spanish influenza or any cases that there is a suspicion of being influenza. The policy of the State Board of Health is against the closing of churches, schools and theatres, and other places where public gatherings are held it does earnestly request the co-operation of the general public in the matter of voluntarily avoiding unnecessary exposures.

Mrs N A Jacobs of Portland arrived Wednesday on a visit to her old friend, Mrs R A Price. In talking with Mrs Jacobs, she was in the Whitman massacre in November 1847, near Walla Walla. There were fourteen killed at that time by the Indians, but of the fourteen only one was a woman, Mrs Whitman. The youngest person killed was a 14 year old boy. There are very few left now that knows personally of that massacre. The editor has been in the cemetery at the Whitman chapel and saw the lab with the names of the victims on it.

The benefit will be shared by the Halsey Study Club and the Halsey High School.

### Our Bible Question.

In last week's Sunday school lesson we noticed that Ananias and his wife Sapphira were both struck dead for lying. Millions of people had told lies prior to that time, and millions have told them since then, yet that is the only case on record of anybody being struck dead for telling a falsehood.

Question. Why were Ananias and his wife struck dead for lying? Let us see who will give the best answer to our question.
