**SWEET THOUGHTS**

When you pass Clark's store think of how appreciative your sweetheart, or wife, or mother, or sister would be if you sent her a box of strictly fresh chocolates or a mixed assortment of fruity sweetmeats. You'll have cause to thank us for this suggestion because we know how it has worked in other cases.

**SUNDAY SCHOOL**

Peter and John in Samaria. Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost parts of the earth. Acts 1: 8.

All peoples need the gospel of Christ.

The persecution of the early church scattered the converts but the apostles remained in Jerusalem and kept in touch with the dispersed believers.

The persecution that was intended to destroy the church hastened the preaching of the gospel in many places, Philip became a great evangelist, and Peter and John were sent to assist him in Samaria.

"We cannot believe in Christ for ourselves without believing in him for the world."—Phillips Brooks.

A committee to plan for "Doing things in the Sunday school" was appointed consisting of Amanda Mitzner, Cleona Smith, Lawrence Taylor and Leslie Clemo.

All delinquent members who are not detained at home by unavoidable circumstances are urged to come out next Sunday promptly at 10 o'clock and hear what the committee has planned for us.

We are all very glad to know that Mrs S A Ribelin is on the way to recovery.

Dr P T Star from Floweree, Mont, was a guest at the service Sunday morning, also Miss Janet Parmon from Condon, Ore.

The revival meeting has been postponed for two weeks. Rev J C Spencer of Albany, will be here to assist.

**Christian Church Notes**

All aboard for the C E special next Sunday evening at 6:30 sharp. Topic, "What does our pledge require?" Deut 13: 4, John 14: 21-26. Leader, Gertrude McKern. A good birthday program is being arranged and a large attendance is looked for. A chain is no stronger than its weakest link is as true of the church as any other organization. The C E offers an opportunity for the younger members of the church to be active and fit themselves for the larger sphere that is to be theirs later on. Boost them up. Their meeting was fine last Sunday despite the weather which kept many away.

Members, there is also another link that must be strengthened, the Bible school, the preparatory school for the school of Christ, the Church. The Whatsoever class under the direction of Bro White is large but there is room for more. The lesson next Sunday gives much room for the discussion of the commercializing of the gospel. Read the lesson material in Acts 4: and come and discuss the two Simons, Simon Peter and Simon the sorcerer.

A good response was made to the appeal for funds in support of the work for the education of the ministry. Bro Phillips brought us a sermon in which he emphasized the need of the thorough preparation of the minister of today to meet the many false philosophies and doctrines and the present materialistic tendency of the age. To fit our men add women of the Church to be able to present the teachings of Jesus in any circumstance and to be able to contend earnestly for the faith despite the apparently unreceptive environment to which they may be subjected is the work of the colleges of the church.

Sermon topics for Sunday are: "The heavenly charge" at 11 a m, and "Things" at 7:30 p m. Members and friends, don't miss either of these sermons.
