EVERYBODY WELCOME.

SWEET THOUGHTS

When you pass Clark's store think of how appreciative your sweetheart, or wife, or mother, or sister would be if you sent her a box of strictly fresh chocolates or a mixed assortment of fruity sweetmeats. You'll have cause to thank us for this suggestion because we know how it has worked in other cases.

"I'll Tell the World"
says the Good Judge

The man who doesn't chew this class of tobacco is not getting real satisfaction out of his chewing.

A small chew. It holds its rich taste. You don't have to take so many fresh chews. Any man who uses the Real Tobacco Chew will tell you that.

Christian Church Notes

A fine attendance was noted at all the services last Sunday. The C E and evening service falling in for an especial share of those present. We were fortunate in having present at the C E hour some visitors from the societies at Albany in the persons of Miss Bessie Fleming and C W Patterson professor of physics at Albany college.

The evening service was enjoyed by all present and many spoke of their appreciation of the sermon in which Bro Phillips spoke of the danger of overestimating the importance of minor things and neglecting the one great thing in life, the companionship and love of the Lord Jesus that may be ours if we cease to play the part of Martha and endeavor to emulate Mary whose choice was so highly commended by the Savior.

Plan to be out next Sunday evening and help with the singing and to hear the sermon entitled "Whys and Other Whys." Members, bring a friend. Friends, come and bring a stranger, for we are glad to see you all and will endeavor to make the service beneficial to you.

Remember the Bible school at 10 sharp. A good discussion may be had of "The secret of spiritual power." The Endeavor society is very much in action and will welcome all at 6:30. Be there. The topic is "A Worth-While Life," Ps 37: 18-40. Leader, Nina Kump.

SUNDAY SCHOOL

Peter at Lydda and Joppa.

The prayer of faith shall save the sick and the Lord shall raise him up. Jas 5: 15.

This lesson gives an account of two characteristic miracles wrought in the name of Christ by Peter, and of the fame of Jesus as the Messiah that resulted from these miracles and of the great revivals that followed.

"The noblest question in the world is, what good may I do in it?"—Benjamin Franklin.

The S S contest was organized last Sunday and is now under way. The question now is, are you a Blue or a Black? and what are you doing for your side? If you are not a member of some other Sunday school you are asked to join with us for better things.

The Baraca-Philatheas had an election of officers last Sunday with the following results: Ida Mitzner, president; Earl Clemo, vice president; Hazel Gulliford, secretary and treasurer.

The offering from the Home Department last quarter was \$2.73.

The official board held a meeting last Monday night. A move was made toward getting some new song books which are much needed.

The League met Tuesday evening at the church for their regular business meeting.

Mr and Mrs Wm Curtis accompanied by Mr and Mrs Hogue of Albany, were welcome guests last Sunday morning.

Let us get ready for the revival meeting which begins next Sunday. Rev Spencer will be here the first of the week to help us. May we look to the Lord for Divine guidance.

A kind invitation to all.

NOTHING that we could say would so thoroughly convince you of the value of Chamberlain's Tablets as a personal trial. We can tell you of thousands who have been permanently cured of chronic constipation, indigestion, biliousness, sick headache and disorders of the stomach and liver, but this will have little weight with you as compared to a personal trial. That always convinces.
