When you pass Clark's store think of how appreciative your sweetheart, or wife, or mother, or sister would be if you sent her a box of strictly fresh chocolates or a mixed assortment of fruity sweetmeats. You'll have cause to thank us for this suggestion because we know how it has worked in other cases.

SUNDAY SCHOOL

Peter and Cornelius.

The same Lord over all is rich unto all that call upon him. Romans 10: 12.

All people are precious in God's sight. The purpose of this lesson is to show how Peter preached salvation thru Jesus to Cornelius and other gentiles and how they became Christians on just the same terms that were offered the Jews.

Things are certainly moving in our Sunday school contest. Last Sunday morning before the take up bell rang, the church was like a bee hive of workers. There is some rustling going on for new members and the results are coming. The sides are well matched and it is going to be a race to the finish.

Next Sunday Bro J W Hussey of Minot, N Dak, will have full charge of the S S. He has been a S S superintendent for years and will bring us some new ideas. Be sure and be there as there will be some important things doing in connection with the revival meeting.

The King's Heralds will meet next Saturday p m at the home of Mrs W H Kirk.

The third of the series of parties given by the W F M S for the young people of the church, will take place next Saturday evening at the home of Mr and Mrs D Taylor. It will be a valentine party and the committee in charge are Mrs Taylor, Mrs Patton, Mrs Penland, and Mrs Garner.

The Booster girls surprised their teacher, Mrs Mornhinweg, last week in a class gathering at her home, in which they entertained her with a very pleasing program of music, readings, etc. New officers were elected.

The revival meeting began Monday night and a good meeting it was for the first night. Rev. Spencer is a pastor evangelist of reputation, a live wire filled with a passion to acquaint men with the Christ life.

The meeting will be every night this week with the exception of Saturday, for the good of all. Come out and help us reach a needy world. Important announcements will come later.

Everyone is dreading the examinations which will be taken Thursday and Friday. The geometry class did not take theirs last Friday as they had planned.

Miss Ruth Erwin of Albany, has been secured to take the place of Miss Showalter, who is ill.
