Methodist Church Notes

SUNDAY SCHOOL

Prayer in the life of Peter.

The angel of Jehovah encampeth round about them that fear him and delivereth them. Ps 34: 7.

This lesson shows how Peter was miraculously delivered from the power of Herod. The king had decreed his death. A few hours before the time set for his execution God interposed and set Peter free.

Not much church news to record but flu.

If stopping the church services will save any one from taking it, we are certainly glad to close. So many of our people are sick that it would certainly be hard to get all their names. In some instances entire families are down. We are very thankful that very few are reported serious and we hope and pray for the early recovery of all.

We very much appreciate the splendid sermons and assistance that Bro Spencer gave us in the meetings last week. And no doubt all who had the privilege of attending were much benefited. On Thursday evening Bro A M Hammer in his touching songs, and also J S Van Winkle and Sheriff Kendall gave us valuable assistance.

Christian Church Notes

The flu having made it necessary to abandon all plans laid for last Sunday we can only hopefully look forward to the time when we shall be permitted to again assemble every Lord's day. Let us pray our Heavenly Father that it may be his will that the epidemic which is the cause of this and other unfortunate circumstances may soon pass away.

The plans for the first Sunday in March which is foreign mission day will stand until we are sure that they can not be carried out. On that day the membership and friends will gather for the morning service and remain for lunch and an afternoon session at which time reports of the years' work will be presented and plans made for the forth coming year.

This will indeed be a home coming day after our enforced absence, and whether held on that date or later should produce much good out of an evil circumstance by bringing together all the members and the many friends who will be glad to get home again.

The ladies will hold themselves in readiness to sustain their reputation as guests on that day, March 7.

With the re-commencement of the Sunday school Bro Phillips announces a series of ten minute lectures in the form of trip. The first will be a trip to England and thence across the continent of Europe to the Holy land and home. Ten minutes each Sunday will be devoted to a description of the life and customs etc of one or other place familiar to all. Watch for these and get a trip ticket free when they are announced as ready.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. Better than Pills

YOU WILL NEVER wish to take another dose of pills after having once used Chamberlain's Tablets. They are easier and more pleasant to take, more gentle and mild in their action and more reliable. They leave the bowels in a natural condition, while the use of pills is often followed by severe constipation, requiring a constant increase in the dose. Every bottle guaranteed by your druggist.
