Different Colors of Paper

Many businessmen have a system of using different colors of paper for different printed forms, thus distinguishing each form by its color.

We can work this system out for you, using **HANNERMAN'S BAND**

the Utility Business Paper, and you will find that it saves you time and money. Let us show you the advantage of standardizing your paper and your printing.

Why Colds Are Dangerous.

It is the serious diseases that colds lead to that makes them dangerous. They prepare the system for the reception and development of the germs of influenza, pneumonia, tuberculosis, diphtheria, scarlet fever, whooping cough and measles. You are much more likely to contract these diseases when you have a cold. For that reason you should get rid of a cold as quickly as possible. Chamberlain's Cough Remedy will help you. It is widely known as a cure for bad colds.

EXTRACTED HONEY.

We are getting a first class piano, and expect to be able to give you music beginning with the next show Friday night, March 19. Halsey Opera House.

She States It Mildly.

While suffering with a severe attack of the grip and threatened with pneumonia, Mrs Annie H Cooley, of Middlefield, Conn, began using Chamberlain's Cough Remedy and was very much benefited by its use. The pains in the chest soon disappeared, the cough became loose, expectoration easy and in a short time she was as well as ever. Mrs Cooley says she cannot speak too highly in praise of this remedy.

Boy Scouts Meeting.

Wednesday evening of last week a meeting was held at the home of D S McWilliams for the purpose of organizing a troop of Boy Scouts.

Two patrols were started and leaders elected for the same. Kenneth Cross was elected leader of the Wolf patrol and Elliot McWilliams leader of the Fox patrol.

Dr Garnjobst volunteered to be responsible for the organizing of the troop, and it was decided to request Messrs McWilliams, Koontz, D Taylor, F H Porter, and Rev Clemon to act as troop committee. All have been seen except Senator Porter and have consented to serve.

All boys of 12 years and over are eligible for membership. It is desired to start two more patrols as soon as possible. There are eight boys to a patrol and it takes four patrols to make a

troop. No scout master has been appointed as yet. The scout master will be selected by the troop committee.

The members are looking out for quarters in which to hold their councils. The next council will be held next Saturday evening at the home of Mr. Clara Cross.

All boys who are interested in the scout movement are invited to attend.

Catarrh Cannot Be Cured
with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions and in order to cure it you must take an internal remedy. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Cure was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Cure is what produces such wonderful results in catarrhal conditions. Send for testimonials, free. P. J. CHENEY & CO., Props., Toledo, O. Christian Church Notes

Altho many of our members and friends are not yet equal to their accustomed tasks and habits and were therefore not with us last Lord's day, it was cheering to be once again able to conduct the usual service; and to see those who were able to be out. It is hoped that all will make a veay special effort to be at the services next Sunday and to make the all-day meeting one of great benefit and cheer.

Beside the splendid opportunity of free discussion of a good lesson found in Revelation 7: 9-17 at the Bible school hour there is to be presented the first of a series of lectures constituting a tour beginning with the journey from Halsey to London. Most of the scholars have tickets to distribute. These are invitations to be present at the hour and enjoy the usual Bible school work and a short talk on this trip. Members be out on time and bring a friend.

Topic for the morning service is "GIVING" and for the evening, "The great salvation." In the forenoon following the luncheon at the church statements of the past year's work will be presented and plans laid for an even greater year to follow. Make this day the criterion of the work of the church henceforth. Brother Phillips and others will speak on the problems of church financing and how to meet them.

The C E will be but a continuance of the good things of that day. The topic is Every-day courtesies, 1 Peter 3: 8-12, and the leader is John Pitman. This will lead up to the song service at 7:30.

Brother Alfred Savage brought us a report of the C E convention that was held at Albany, to which he was a delegate. He spoke of the many good addresses he heard in glowing terms but is of the opinion that Halsey has as good talent as far as singing is concerned, judging by that which he heard there.

Lake Creek Items.

George Hockensmith recently purchased an International tractor from Hill & Son of Shedd.

Mr and Mrs Tom Jackson, accompanied by the former's father, C C Jackson, were county seat visitors Thursday of last week.

Lyman Palmer and son were able to be out to their farm last Wednesday. He has been quite busy this winter improving his place with a new house and barn. He had intended to move his

family soon when they took down with the flu. His neighbors, realizing how he was handicapped by sickness, got together and plowed an almost sixty acre field for him. At one time there were fifteen teams and four tractors busy in the field.

Most of the farmers in this vicinity took advantage of the good weather in February and have their Spring plowing nearly all done.

She is survived by her husband, and three children, Etta, aged 8, Albert, aged 5, and Irene, aged 1. Her parents, Mr. and Mrs. William E Carlton, and one brother, also reside at Shedd.
