A little of the Real Tobacco Chew gives more genuine satisfaction than the big chew of the old kind.

Saves money, too—because this class of tobacco lasts much longer. The rich tobacco taste stays right with it.

Any man who uses the Real Tobacco Chew will tell you that.

MANILA CARNIVAL BIG ATTRACTION OF FAR EAST

This is the season of the year when the Philippines become the playground for the entire orient. It is carnival season in Manila.

In 1908 the first Philippine carnival was held on historic Wallace Field in Manila in February, when the climate of the islands is at its best, and each succeeding year there has been a larger and more elaborate celebration. The 1920, or Victory Carnival, will be the greatest event of its sort ever held anywhere in the Far East.

There are commercial and government exhibits in connection with the carnival, and on no other occasion is it possible to gain at once such a comprehensive idea of the production and

development of resources of the archipelago as that which is offered the visitor at the carnival city.

In the evenings the carnival becomes the center of Philippine and oriental social activity. A huge open air auditorium serves for the elaborate night balls, and on its mammoth floor thousands of couples swing together to the strains of music furnished by the famous Constabulary and other military bands. Probably at no other place in the world will one see an equally impressive cosmopolitan spectacle.

The Manila visitor who can plan his trip to arrive at the Pearl of the Orient for carnival time may well deem himself fortunate.

239,708 persons, outside those served in industrial homes and hotels, were given temporary relief by the Salvation Army in the Western Territory last year.

The missing friend bureau of the Salvation Army in the Western Territory of the United States last year found 216 of 551 missing men inquired for.

SUNDAY SCHOOL

A vision of the glorious future. Blessing, and glory, and wisdom, and thanksgiving, and honor, and power, and might, be unto our God for ever and ever. Amen. Rev 7: 12.

We have in this lesson a picture of the conditions that will prevail in Heaven as portrayed by John the Revelator. We have all had visions when we were asleep, when our subconscious minds have showed us strange things. We may ask, what will Heaven mean to us? Let us imagine ourselves standing before a great mirror in which we can see just back of us all the things we have done while passing through this life. Everything that we have been trying to hide from God and our friends, things that we would be ashamed to be caught doing. If we ever get to Heaven we can rest assured that the measure of our comfort and happiness will depend on our conduct while here.

Bro Clemons gave us two good sermons last Sunday. In the morning the subject was "Why I should go to church." We should go to worship God. He has ordained public worship. God promised a blessing to his people when he recorded his name in his tabernacle. We get impulse from the house of the Lord. If we neglect church, we neglect other means of grace.

The King's Heralds had a very enjoyable meeting last Saturday at Mrs Marcella Kirk's. In their contest the girls have 2475 points and the boys have 1565. We hope the boys will get busy and not let it be the old story over again. That the girls always beat the boys.

The W F M S had a good meeting with Mrs Wesley. One good thing at the meeting, they voted to send their faithful absent member, Mrs S A Ribelin, a post card shower.

Alberta Koontz has very kindly consented to sing for us next Sunday at Sunday school.

Please remember the prayer meeting and choir practice this Thursday evening.

The choir will begin special practice for Easter service. The committee in charge is Mrs C P Stafford and Mrs J C Standish.

School Notes

Alta Hayes has entered High School. She is a sophomore and has been attending school at Stayton.

Grace Robinson returned Monday to school after several weeks absence.

Truman, Walter, and Stella Welch have started to school. Until recently they lived in New Mexico.

Miss Erwin is planning a hike to the Willamette river Saturday if the weather proves favorable.

A Hard Times Party.

The hard times party given by the High School at the city hall Saturday night was thoroughly enjoyed by all who attended.

The hall was very artistically decorated in green and yellow, shamrocks and daffodils being the keynote.

The costumes worn by the guests were both clever and unusual, and caused much amusement.

Delicious refreshments were served and all who attended voted the party to be a great success.

The Salvation Army distributed 650,032 pounds of coal to the poor of the Western half of the U S last year.
