Mothers Adopt 10,000 Orphans.

Connecticut to Provide Foster Mothers for Little Victims of Turks.

Ten thousand little victims of Turkish brutality are to be foster-mothered by the big hearted women of Connecticut as the result of appeals by Near East Relief, the former Committee for Armenian and Syrian Relief of 1 Madison avenue, New York city. The women at a meeting voted to "adopt" that number as their share of the 250,000 homeless and starving boys and girls orphaned in the massacres and deportations.

Three hundred representatives of women's organizations attended the meeting at Hartford, at which Governor Marcus H. Holcomb presided and pleaded the cause of the stricken peoples. Another speaker was Henry Morgenthau, former U. S. Ambassador to Turkey.

Assurances that the example of these noble hearted Connecticut women will be followed by similar organizations in all the other states have been received at the headquarters of the Near East Relief, 1 Madison avenue, New York city.
