The "Rally" planned for last Sunday was a very fair success, altho there were many unable to be out. A splendid lunch was prepared and enjoyed to the limit by those present. Brother Al Savage took a photograph of those who remained on hand following the lunch. At 2:30 the afternoon program commenced with reports from the departments of the church. These were particularly encouraging, showing as they did progress in all lines.

The financial situation was cheering and, in the words of Brother White, the canvass to follow was not to get out of difficulty but to insure the continued success and to avoid any possibility of future difficulty.

The presentation of the new budget by Brother Phillips was next attended to. In this the chief feature was an increase of \$260 over the budget of 1919, \$120 of which is to for increased donations to foreign mission work and benevolences. This budget will show an increase of nearly \$500 over the one of two years ago, an effort well worthy of the entire membership after the successes of 1919.

The response in pledges was one that would cheer the heart of any pastor or other member of the board and gives every

promise of oversubscribing the askings of the board. This will be quite true of the missionary part of the budget. Next Lord's day will complete the work of the canvassers it is hoped and all will have settled down to make this year a huge success.

The S S special train for London, England, left a few minutes after ten and some therefore were not able to go. Be on time next week to leave Southampton for Rome. Everyone welcome. You will enjoy this and have an opportunity of studying the review of the past quarter's lessons.

The morning sermon is entitled "Our Partnership."

The C E topic is "Our Country's Need of Christ." Acts 4:11, 12, Rom 10:12-15. Home missionary meeting. Leader, William Robinson.

Following the Endeavor meeting will be the usual good song service and sermon. Everybody welcome to any or all of these services.

SUNDAY SCHOOL

Quarterly review. The life history of Peter and John.

Go ye therefore, and make disciples of all the nations, baptizing them into the name of the Father and of the Son, and of

the Holy Spirit; teaching them to observe all things whatsoever I commanded you; and lo, I am with you always, even unto the end of the world. Matt 28:19, 20.

This review involves a brief outline of the career of these disciples with the Man of Galilee and as Christian workers after the ascension, also an appreciation of their characters. Their weaknesses and mistakes are to be a warning, their strength, courage, faith, accomplishments, the Christlike, an inspiration.

Last Sunday we had an all around good day in the church services. The crowd and attention at Sunday school and the morning service was unusually good. The outcome between the two sides in the S S contest looks like it will be neck and neck. The way the points are rolling up makes it interesting for a lot of folks. The evening services were good and the League had a good attendance and an interesting meeting.

The subject for the prayer meeting this Thursday evening is "Day by Day." Followed by choir practice. Preparations are on hand for special Easter music the following Sunday.

The announcement was made from the pulpit last Sunday of special meetings beginning next Monday night and lasting thru the week. Please remember and let everyone be ready to come.

COMMUNITY MEETING AT SHEDD

County Agent S V Smith went to Shedd last Thursday to attend a community meeting. The meeting was in the nature of a program day, as the farmers of the vicinity will consider what work will be the most vital for them to undertake in connection with the community program during the year. This Shedd community meeting was scheduled to take place Feb 18, but was postponed on account of influenza.
