Real Tobacco Chew will tell
you so.

You get a lot more satisfac-
tion in a little of the Real
Tobacco Chew than in a big
chew of the old kind.

And it costs less to chew.
The full rich, real tobacco
taste lasts so much longer.

SUNDAY SCHOOL

The topic for our young peo-
ple and adults, God working
through National Leaders. The
lesson goes back this quarter to
Israel ruled by judges; Judges 2:
6-16.

This is Easter Sunday, the
time when we celebrate the com-
ing forth of the victorious, risen
Christ. God in nature is teach-
ing us the lesson over again that
with the new spring time life
has awakened, everywhere
about us the earth is green, the
hills and meadows, the bulbs, the
shoots and the flowers. Many
of our young people have given
their hearts to Christ, some have
not yet taken this important
step. During this passion week
(the time of preparation) in
these special meetings we are
praying, hoping that many more
will come. No doubt for weeks
and months you have been mak-
ing ready for the Christ life,
just as the flowers have been
preparing for the blossoming
time. Won't you make that de-
cision at this Eastertide? Let
this time commemorate your
coming from the self life to the
service life; the Christ life.

The captains of our S S con-
test teams have it figured out
that the score of the two sides
on the last meeting day stood

THERE ARE TWO KINDS OF SWEETS

the kind you can be sure con-
tains the finest quality of ingre-
dients and the doubtful kind.
Cast doubt aside and deal at

to use anything but pure, fresh
fruits and flavors in our spotless
candy-kitchen there'd be such a
commotion you'd hear it all over
own.

class through and explained
thoroughly both the system of
electricity and the water system.
This practical lesson helped the
class to understand the theory
they are studying.

Miss Erwin's place was taken
Friday afternoon by a sister of
Miss Knips, who is attending O
A C.

Mrs McCallough an instructor
of O A C talked to the High
School and seventh and eighth
grades Wednesday, March 24.
She explained the millage tax.

The High School has a new
school song which will be sung
at the P T A. The author is
Janet Boggs.

The Caesar class has finished
Book I and is beginning with
Book III, which is to be mostly
sight reading.

Gertrude McKern returned to
school Monday after about two
weeks' absence.

The High School has a sur-
prise for everyone at the P T A
Saturday evening. Be sure to
come.

Everyone has the jumping
rope fever.

Christian Church Notes

Owing to the funeral service
of our departed Sister Price
there was neither session of the
Bible school or church in the
morning of last Sunday. In
these circumstances the lecture
announced for the Bible school
hour will be given next Lord's
day together with the one for
that day. Don't miss these and
come prepared to start the new
quarter's lessons, dealing with
the early leaders of Israel. These
will prove interesting and in-
structive to a degree bringing to
light so much of the secret of
the preservation of the Jews as a
distinct people. "The golden
text" is applicable to any nation,
for when any people "turn unto
Jehovah he will be found of
them." 2 Chronicles 15: 4.

Next Lord's day the sermon
topic will be in keeping with the
season and will aim to exalt the
Christ and to bring him more
impressibly before men at a time
when we think most deeply of
the scene on that lonely hill out-
side the walls of the city of Jeru-
salem. Let us prove our grate-
tude and devotion by making a
special effort to "go up to the
house of the Lord" on this par-
ticular day.

At 3 p m the C W B M will
meet and following their custom
the members will discharge the
contents of their mite boxes. At
this service a special program
will be presented, including talks
and special music. An enjoya-
ble time is assured all those who
attend and everyone may.

The topic for the Endeavor
meeting will be "The power of an
endless life." Hebrews 7: 15,
16, 25, 1 John 3: 1-3. (Conse-
cration meeting.) Leader, Edith
Robnett. Be at this meeting and
be prepared to take part in the
discussion which will maintain
the high standard of many past.
The topic last Sunday evening
was ably treated and if everyone
present next Sunday evening
will do something to make the
meeting more successful it will
be more than interesting.

Sermon topics are as follows:
At 11, Our Partnership. At 7:30
The threefold witness.

LAXATIVE for Aged People

THE BANE of old age is constipation. The bow-
els become weak and unable to perform their
functions without aid. For this purpose only
the mildest and gentlest laxative should be used.
The use of harsh cathartics aggravates the trouble
and makes the constipation worse. Chamberlain's
Tablets are a favorite with people of middle age
and older on account of their gentle action.
