"You're the Man to be Satisfied"
says the Good Judge

You get a whole lot more satisfaction from a little of the Real Tobacco Chew than you ever got from the old kind.

The good, rich tobacco taste lasts so much longer. You don't need a fresh chew so often. That's why it costs you less.

Any man who uses the Real Tobacco Chew will tell you that.

SUNDAY SCHOOL
Deborah and Barak Deliver Israel.

God is our refuge and strength, a very present help in trouble. Ps 46: 1.

Men and women are needed in God's work.

The purpose of this lesson is to show how Deborah, Israel's most illustrious female leader, was so used of God as to be a human agent in winning for her people a mighty deliverance from suffering and oppression. Her example has had an influence in helping woman over the centuries to find her place in society.

Let us recognize the sublime truth that those nations only are blessed of the Lord.—Lincoln.

The W. F. M. S. reports a very pleasant and enjoyable meeting at Mrs Gardner's last Friday.

We were all made glad Easter morning by the promise of a fair day. The church was well filled at Sunday school and the church service. Much praise is due the choir for the excellent music furnished which was appreciated by all present.

Dr Moore was at his best and delivered a very strong sermon on the subject, Immortality. Such a message cannot fail to help any one who hears it.

We cannot forget the kindness of our Booster class of girls who furnished the Easter flowers.

The Board of Stewards met Monday night for the purpose of starting another canvass to bring up the deficiency of the local church budget. When the congress of the U S finds that so many dollars are needed to pay Uncle Sam's just obligations, they pass out the word and we "dig up." When the state of Oregon says that so much is needed we "cough up." When the lodge says to the brother "come across," he comes. Why not the church of Jesus Christ? It has honest and just obligations, surely as urgent as any of these.

The League accepted the hospitality of Harold Stewart and held their meeting Tuesday evening at his home. A good crowd was present, refreshments were served, and a general good time is reported.

Christian Church Notes

Easter day passed off very well and despite the fact that there was no special program prepared by either the church or the Sunday school, the attendance at all the services was very gratifying.

The C W B M meeting in the afternoon was particularly good and a splendid program was presented, consisting of special songs, and readings, etc.

We were pleased to have with us at the morning service Mrs Bennet of Tangent.

At the C E meeting Bro Phillips read a story of the first Eastertide that was very interesting and appropriate. This was followed by a good meeting at which there was the usual cheering singing in which mostly everybody joined. The sermon that followed dealt with the divinity of Jesus as proved by his life, death, and resurrection, concluding with an appeal for greater faith in Him and the ignoring of the somewhat prevalent tendency toward a material religion and conception of the person of Jesus.

Next Lord's day the services will be conducted by Prof V E Hoven of Eugene Bible University in the absence of our pastor who will be assisting in a protracted meeting in the church in Prineville, Ore. Mr Hoven has preached here before and those who were present will recall that he is a very fine speaker, both interesting and instructive. It is hoped that the entire membership and friends will be as loyal and considerate to him as to Bro Phillips. Start the day right by being at the Sunday school sharp at 10 o'clock. The lectures will be resumed on the return of the pastor. The evening sessions will commence half an hour later next week and until further notice. C E at 7 p m and preaching at 8 o'clock is the new time.

C E topic is "What shall we do with our Sundays?" Neh 13: 15-22. Leader Arthur Robnett.

The Endeavor business meeting was held Monday night with Miss Nina Kump. The losing side entertained the winning side of the recent contest which had just closed. Alfred Savage was the captain of the winning side. Church Reporter.
