You want real chewing satisfaction.

A little of the Real Tobacco Chew lasts so much longer than the old kind.

You don't need a fresh chew nearly as often—so it costs no more to chew this class of tobacco.

Any man who uses the Real Tobacco Chew will tell you that.

The State University Agricultural College and the State Normal

have for many years spent less money per student per year in training Oregon boys and girls than is spent at any other state institution. The present cost at the State University is \$203 a year; at the College it is \$180. But even before the war, when money would buy twice as much as it buys now, the average cost at all other state institutions was \$325 a year. In addition their Building Investment is very low. At the State University it is at present \$322 per student; at the College, \$300. But in state institutions elsewhere, statistics show the average to be \$995. These are convincing proofs of economical administration, but the three institutions can no longer give satisfactory training to the vast numbers of Oregon boys and girls (5400 in full time courses alone), unless they receive more support. On May 21 the Higher Educational Relief Measure will appear on the ballot. You are urged to preserve the quality of higher education by voting for it.

SUNDAY SCHOOL

Ruth's wise choice. Thy people shall be my people, and thy God my God. Ruth 1: 16.

This lesson records one of the most beautiful love stories of all history. It shows the loveable qualities in some human lives, even in the wild, wicked period of the Judges; how love conquers; and the incalculable power of personal influence, also the responsibility and the opportunities of each day's life.

"Happy is he who loves his friend in God."

The increase in the attendance at Sunday school last Sunday was about 25 over the preceding Sunday. The attendance and interest taken by the members is fine. Next Sunday will be the last day of our contest. How many points shall we have over 2000? Which side are you going to be on? Serve, or be served? Show your persuasive qualities this week.

Mrs Chas Jackson from Brownsville, a sister of Mrs Frank Hadley was a welcome guest at the morning services.

The reports from our Home Department for last quarter shows an offering of \$3.90. Five of our members in the county report 37 lessons studied. One of our town members reports 13 lessons studied; the rest of

our members failed to mark in their reports on this line. We are anxious that they do it as it goes to make a permanent record of what we are doing.

The League is doing good work in their devotional meetings.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, Etc. Hall's Family Pills for constipation.

Christian Church Notes

We were made glad by having Prof V S Hoven with us last Lord's day and enjoyed two wonderful sermons with good attendance at both services. We are sure all were inspired by having heard him; we look forward to having him with us again in the near future.

Bro Phillips is still in the meeting at Prineville.

Perhaps we will have Brother Benton with us next Lord's day.

We must not fail in our duty of assembling ourselves together on the first day of the week.

The basket social Saturday night was a success and our thanks are given to all those who helped to make it so. The baskets brought a good price and all enjoyed a good time. We cleared over sixty dollars.

Don't forget the Sunday school at 10 o'clock; "The power of personal influence."

A dreary country is Armenia where people are starving every day where the people are trying to hold their own.

but haven't a single thing left, they say. Will you do your part and buy a tag? It only costs one little dime. You'll never miss it, and just think, how happy you'll make an Armenian some time.

How would you like to be in their place?

With nothing to eat but bones. Just think, they have to cover the graves. To keep them from eating the dead with stones.

Now what are we asking you to do? Help the Armenians get a new start. To pay your dime and get a tag. Then you will know you've done your part.

Contributed by an eighth grade pupil. Let's buy a tag. It's just a dime. And you'll be glad I'm sure some time. Contributed by an eighth grade pupil.
