A called meeting of the P T A was held last Friday at the school house with Mrs Laubner presiding. The following officers were elected: Mrs F H Porter, president; Mrs Edith Robnett, vice president; Mrs D Taylor, treasurer; Miss Ida Mitzner, secretary. The committee on arrangements for the program for Wednesday evening, May 12, at the opera house reported plans complete for an interesting program.

Next Wednesday evening May 12 at the Opera House Supt Churchill will give an address Consolidated Schools. Under the direction of Miss Knipps and Mrs Eldon Cross the children will weave a May pole. Several numbers will be given by the High School orchestra. Because

of prevailing school problems both in Halsey and surrounding districts, this meeting was planned. The directors and patrons of the seven adjacent districts are asked to attend. With prospective good roads, the unsatisfactory conditions in all our schools may be solved by uniting all of our efforts in one or more central schools in which we may be proud. If you are interested in better advantages for your children, come out to hear Supt Churchill.

Christian Church Notes

Two splendid audiences welcomed Bro Phillips back to his regular work with the church. He came down on Sunday morning accompanied by his wife and children and Miss Ethel Johnson, his sister-in-law.

Brother Phillips assures us that whatever else the trip to Prineville did for him it has convinced him more than ever of the beauty of the valley.

The attendance at the evening service was by far the best there has been for some time and the hearty participation by all in the song service was very cheering.

The sermon was one that should leave its impression upon all sound thinkers that heard it. Advocating the necessity of the new birth as detailed in the scriptures he showed how impossible it is to have a world any better or a new one without this change in every human being.

Next Lord's day there will be two more sermons on live themes. In the morning at 11 the topic will be "Mother" in keeping with the day. In the evening at 8, following the Endeavor meeting which begins at 7, the subject will be "Religion." Hear both of these. There will also be some special items of music.

At the S S besides the regular lesson there will be a short talk of a trip from Alexandria to Jerusalem.

The C W B M meets at the home of Mrs H Chance next Tuesday at 2 p.m. Mrs J M Porter will be the leader.

Paid in Advance.

Gripping situations and scenes masterful dramatic effects and an all star cast, these are the attributes that will go to make "Paid in advance" the new superproduction to be shown at the opera house, a picture that will remain in the memory of every motion picture devotee.

The locale of the story is the Canadian Northwest, heart of the fur country, and Dawson City, Klondike, in the stirring days during the gold rush to the Yukon region. James Oliver Curwood, an eminent writer of novels and magazine stories wrote the tale that inspired Allen J Holubar, director of the production, to transpose it from the printed page to the screen.

Little need be said of Mr Curwood's stories. He is an acknowledged authority on the life in the bleak, white wastes of the north, where he lives a part of each year. He is the only American ever hired by the Canadian government to make exploring trips in the Canadian north.

With Dorsthy Phillips playing the part of Joan Gray, daughter of a Canadian fur trapper, who is lured to the Klondike by promises of wealth. With William Stowell playing opposite the star with Priscilla Dean, a star in her own right, appearing in an important part in this production, nothing is lacking that will make "Paid in advance" an epic in the world of moving pictures.
