"Just as Man to Man"

says the Good Judge

You get a lot more genuine satisfaction from a little of the Real Tobacco Chew than you ever got from the old kind.

You don't need a fresh chew nearly as often, the good, rich, real tobacco taste is so lasting. That's why it costs less to use this class of tobacco.

Any man who uses the real Tobacco Chew will tell you that.

Put up in two styles

RIGHT CUT is a short-cut tobacco
W-B CUT is a long fine-cut tobacco

STATE ROADS

Vote 302 X Yes For 4% State Road Bond Limit

BALLOT TITLE IS AS FOLLOWS:

302 X Yes CONSTITUTIONAL AMENDMENT—Referred to the people by the Legislative Assembly.
303 No LIMITATION OF FOUR PER CENT STATE INDEBTEDNESS FOR PERMANENT ROADS.—Purpose: To amend Section 7 of Article XI of the Constitution of the State of Oregon so as to permit the creation of debts or liabilities including previous debts and liabilities for the purpose of building and maintaining permanent roads to the amount of four per cent of the assessed valuation of all the property in the State of Oregon, instead of two per cent as now provided by law.

**NO PROPERTY TAX—NO DIRECT TAX
NO INCREASE IN AUTO LICENSE FEES
NO INCREASE OF GASOLINE TAX**

Keep these three facts in mind. The present auto license fees and gasoline tax will pay both the principal and interest on all the bonds under this amendment, and will yield an annual surplus besides for other state highway work. No additional taxation of any kind.

FEDERAL FUNDS MUST BE MATCHED

Oregon must have sufficient Highway Funds to match Federal apportionments or Oregon cannot get the benefit of Federal money for Oregon Roads. Increasing this constitutional limit is a necessity. Unless limit is increased, either state roads cannot be completed for many, many years, or must be finished by direct property taxation. This measure averts direct property tax for state highways and makes early completion possible. Let's get the roads built now.

Income from Present Sources Sufficient to Pay Principal and Interest.

The fact that revenues from auto license fees and gasoline tax, without increase of present rates, will be ample to pay both principal and interest on these bonds, is clearly set forth by official figures in the State Pamphlet, mailed to every registered voter. Refer to State Pamphlet for verification. Examine the table carefully. It proves that no property tax is required and that present rates for auto license fees and gas tax will reduce principal and interest and yield surplus bonds.

School Notes

The High School ball team won over Brownsville last Friday afternoon, see account elsewhere in the paper. They will cross bats with the same team at Brownsville this coming Saturday.

The days are growing very long but we will keep up our pep for three more weeks.

All Senior activity will take place the last week of school. Commencement will be held June 2.

The botany class is planning to take another field trip Thursday evening to the foot hills. The course of study requires these trips.

Miss Erwin has received a receipt for \$55.07 from Mr Senders of Albany, who is the chairman for the Armenian fund drive. This amount was raised by the entertainment given recently by Mr Waldo Davis, the high school and the sale of tags. Fifty per cent of the proceeds went to Mr Davis.

The High School expects to hold a social entertainment of some sort soon to replenish the student body fund.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by all Druggists, 75c.

Paid in Advance.

Dorothy Phillips' first picture since "Destiny" will be seen at the opera house in "Paid in Advance," the new production, is based on a story of the Canadian Northwest and the Klondike, by James Oliver Curwood, who is recognized throughout this country and Canada as one of the foremost students of life in that region, as well as a creator of entrancing stories. He is said to be the only American ever engaged by the British Government to do exploratory and descriptive writing. His collection of game photographs is known to be the largest in America.

"Paid in Advance" is rich in situations and scenes. The story begins in the fur country of Canada and enough of the story is laid there to give an excellent knowledge of the manners and customs of the heterogeneous people who inhabited the region. Then the scenes shift to the Klondike, and portray in all its wickedness and taudry allurements the gold mining district at Dawson City.

Miss Phillips was directed in this picture, as in her several preceding successes, by Allen J. Hulabar, who is her husband in private life. In "Paid in Advance" she is cast as Joan Grey, daughter of a fur trapper, in northern Canada. She is lured to Dawson City by the unscrupulous proprietor of a notorious dive, who promises her work as a nurse and assures her that her father will become wealthy as an expert fur buyer.

Other notable names are in the cast, among them being Priscilla Dean, who is herself a Universal star; William Stowell, who plays the leading man; Joseph Gerard, Lon Chaney, Frank Brownlee, and Bill Bures.
