"The Great Thing About Real Tobacco"
says the Good Judge

is that it tastes so good, and a little chew lasts so much longer than the old kind.

The good, rich tobacco taste stays right with this class of tobacco. That's why it costs you less to chew it.

Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles

RIGHT CUT is a short-cut tobacco
W-B CUT is a long fine-cut tobacco

SUNDAY SCHOOL

The value of aggressive leadership.

Be strong and of good courage. Josh 1: 6.

Courage and confidence win great victories.

This lesson shows how Jonathan and his armor-bearer threw the Philistine army into a great panic and gave Israel a great victory.

Give us courage that prevails, The steady faith that never fails. —Henry Van Dyke.

At the Sunday morning service the pastor presented the claims of the Deaconess Home building fund at Seattle and the Jason Lee Memorial painting for the State-house at Salem. The claims, amounting to nine dollars were provided for.

Mr and Mrs C D Huff, Mr and Mrs J A Falk of Harrisburg, and Mr and Mrs Perry Bond of Glide, Or, were welcome visitors at the service.

The Sunday school picnic for next Saturday is on our minds and our folks will be turning the corners with the differential gears favoring the outside wheel. The little folks will be taken out for a big play in the woods. There will be sports for the young people and grown-ups. Dinner! A big spread. Come and bring your lunch basket and enjoy a day in the woods. A good chance to get acquainted.
