Plymouth Twine

SINCE the first use of binder twine in this country forty years ago, Plymouth Twine has always proved itself to be the twine that binds and satisfies. It has been found the most economical in all grain-growing localities and will save you time, money and worry during the coming harvest.

Plymouth Twine

is always uniform in quality—smooth-spun, even and strong. No thin places to strip and break while the binder is in operation.

Inspect a bale of this dependable twine at our store the next time in town and let us have your memorandum order early to insure delivery.
