### Methodist Church Notes

#### SUNDAY SCHOOL

Jonathan befriends David.

A friend loveth at all times, and a brother is born for adversity. Prov 17; 17.

The story of David and Jonathan stands as the world's greatest classic on friendship. To God above and God within his own soul was Jonathan true, hence he performed the difficult feat of being loyal to his father and true to his friend. Phillips Brooks has said, "This world only begins friendship. Friendship is love boiled down and flavored with kind thoughts, kind words, and helpful deeds. People who have warm friends are healthier and happier than those who have none. A single real friend is a treasure worth more than gold or precious stones. Money can buy many things, good and evil. All the wealth of the world could not buy you a friend, or pay you for the loss of one."

The duet by Gertrude Porter and Mrs Harry Hopkins at the last Sunday morning service was most excellent and much appreciated by their many friends.

Bro Clemo left Monday for Salem to attend the three weeks' series of ministerial lectures and conferences on the W U campus. He will fill his regular appointment next Sunday morning. The union service in the evening will be at the M E church and the sermon will be preached by Bro Phillips.

#### Notice to Water Users

As fires are liable to break out anytime at this dry season of the year, it is very necessary that we have plenty of water in the tank at all times. Therefore those who sprinkle gardens and lawns will please do so from six to eight o'clock in the morning and from five to seven o'clock in the evening.

It is imperative that these hours be observed and anyone found using water out of hours will be subject to a fine or the water cut off.
