This recipe is for one large pie with top and bottom crust
2 cups flour
1/2 teaspoon salt
2 teaspoons Royal Baking Powder
1/2 cup shortening
cold water
Sift together flour, salt and baking powder; add shortening and rub in very lightly with tips of fingers (the less it is handled the better the paste will be). Add cold water very slowly, enough to hold dough together (do not work or knead dough). Divide in halves; roll out one part thin on floured board and use for bottom crust. After pie is filled roll out other part for top.

Rich Pastry

2 cups pastry flour
1/2 teaspoon Royal Baking Powder
1/2 teaspoon salt
1/2 cup shortening
cold water
Sift flour, baking powder and salt; add one-half shortening

and rub in lightly with fingers; add water slowly until of right consistency to roll out. Divide in halves; roll out one-half thin; put on in small pieces half remaining shortening; fold upper and lower edges in to center; fold sides in to center, fold sides to center again; roll out thin and put on pie plate. Repeat with other half for top crust.

Apple Pie

1 1/2 cups flour
1/2 teaspoon Royal Baking Powder
1/2 teaspoon salt
2 tablespoons shortening
4 apples, or 1 quart sliced apples
2 tablespoons sugar
1 teaspoon milk
Sift flour, baking powder and salt; add shortening and rub in very lightly; add just enough cold water to hold dough together. Roll half out on floured board, line bottom of pie plate; fill in apples, which have been washed, pared and cut into thin slices; sprinkle with sugar; flavor with cinnamon or nutmeg; wet edges of crust with cold water; roll out remainder of pastry; cover pie, pressing edges tightly together and bake in moderate oven 30 minutes.
