"Nothing Like It"
says the Good Judge

A little of this real tobacco gives a man more satisfaction than he ever got from the old kind.

The full, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often. That's why it costs you less.

Any man who uses the Real Tobacco Chew will tell you that.

SUNDAY SCHOOL

The Kingly kindness of David. David executed justice and righteousness unto all the people. 2 Sam 8: 15.

This lesson shows that David was a man with a great heart. When he was absorbed in the affairs of state, when at the highest point of his regal authority, he had the disposition and took time to think about his old friend Jonathan and give attention to fulfilling a covenant concerning the caring for his family. Even though Jonathan's son Mephibosheth, was a helpless cripple, David took him to the King's palace and cared for him as one of his own sons. True friendship can never die. When one's friend is taken by death, a better memorial than marble is to do the good which that friend would have done had he still lived on earth.

How greatly it sweetens life to forget the evil and unpleasant and cherish tenderly the memory of the pleasant and the good. "The noblest question in the world is, what good may I do in it?"—Benjamin Franklin.

The W F M S will go to the country to hold their meeting next Friday p m with Mrs S J Smith. The leader of the lesson is Mrs F H Porter. The ladies are requested to meet at the church at 2:15 and to bring whatever they like for a picnic lunch.

The union service next Sunday evening at this church with the sermon by Bro Phillips. We trust that as many as possible will attend.

More than twenty of our Leaguers attended the League institute at Jefferson last Sunday. The morning sermon was by Dr G H Parkison on the theme, The man who stops before he gets thru. This was a strong appeal to our young people to fit themselves for a useful Christian life. The afternoon address was by Dr R N Avison on, The necessity of our young people fitting themselves for leadership in the missionary work. He used as illustrations, Livingstone and Moffat. The vocal music was fine. It was very impressive to see 77 bright and intelligent Leaguers receive their diplomas after three years attendance and study of five days institute each year. We are hoping that our own League members will take the splendid opportunity for future preparation.

Christian Church Notes

How much happier everyone was last Sunday when so many who were absent the previous week were in their place at the S S hour. The increase in the attendance was most gratifying to all concerned. Repetition is easy so let us make next Sunday equally as good.

Following the Bible study the communion service will be held. Every loyal disciple of Jesus should make a special effort to present himself at the Lord's table to break bread in remembrance of Him as requested.

The C E will be at the usual hour of 7 and a good meeting should result from the study of the topic, "Problems of recreation in our community." Rom 14: 7, 13-19. Leader, Rena Walker.

Following the Endeavor meeting all will adjourn to the Methodist church where Bro Phillips will deliver the sermon at the union service.

The W M S will meet at the home of Sister Wells on Tuesday next. The topic for the month
