To find how long the full rich taste of the Real Tobacco Chew lasts.

That's why it really saves you money to use this class of tobacco instead of the ordinary kinds.

Any man who uses the Real Tobacco Chew will tell you that.

### Christian Church Notes

The Endeavor society had their business meeting last Monday night at the church. The principal thing discussed was the conference to be held at Forest Grove from Aug 30th to Sept 8th. It is hoped that a delegation will be secured to attend the whole time.

The W B M meeting was held Tuesday afternoon at the home of Mrs Wells. An enjoyable meeting is reported.

There will be no preaching service next Sunday morning on account of Bro Phillips being at Newport on a ten days' vacation. The communion service will be held as usual and in the evening the union service will be held at the Christian church with Bro Clemo in charge.

Sunday school will be held at the usual hour and it is hoped a good attendance will be present.

Arthur Robnett and wife and Mrs Edith Robnett and Louise and Truman attended the cabinet meeting of the county Endeavor society held at Albany last week.

The Endeavor topic for next Sunday evening will be "Lessons from the poets." Exodus 15: 1-11. Leader, Alfred Savage.

### Methodist Church Notes

Our correspondent being away on a much needed rest and vacation, which is being spent in the beautiful Cascade mountains, at McCreddie Springs, our news column will not be full this week but we should not forget the church services for next Sunday.

Sunday school at 10 a. m. The lesson at this hour is full of interest, and should be studied by all. David the warrior king of Israel was a great character. "Some elements of weakness in David's character," is the subject for the lesson study. Let all who can be there promptly at 10 o'clock and enjoy this session.

Preaching at 11 o'clock by the pastor. Epworth League at 7 p. m.

Union services at the Christian church at 8 p. m, to which all are invited. These union services have been interesting from the beginning.

Dean Alden of the Willamette University was here Tuesday in the interest of the new dormitory that they plan on building. It is expected to cost \$100,000. On account of the fire on Dec 17, 1919, when one of their buildings was burned they will need two buildings instead of one, as at first contemplated.

Mr Alden was soliciting funds for this purpose, and also trying to enlist pupils for the coming school year.

We understand that J D Rockefeller has given \$1,000,000 to the University for an endowment fund with a few provisos thrown in.

### Harrisburg Bulletin Clippings

The gravel plant is still running. The trucks are supplying gravel now for the Halsey district and it may be a week before the plant will close down for a general overhauling.

Mrs Marion Pike was at Halsey visiting her parents.

John Salash and C E Smith were here from Halsey last Saturday evening.
