says the Good Judge

Here's genuine chewing satisfaction for you, hooked up with real economy.

A small chew of this class of tobacco lasts much longer than a big chew of the ordinary kind—that's because the full, rich, real tobacco taste lasts so long.

Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles

**A Word for the Ambitious Boy:**

**M**ANY an ambitious farm boy is being tempted to go out into the world to seek his fortune. If you are considering deserting the farm, you are facing a crisis in your life that deserves much earnest thought and study.

Talk the matter over with men who ought to know the right course for you. Don't decide too hastily. Perhaps your father will take you into partnership, give you an interest in a plot of ground or in some livestock that will be the foundation of a fortune. Statistics show that the chances for business success are ten to one in favor of agriculture.

For every ambitious country boy there are a dozen city toilers, sick and tired of the endless grind, struggling desperately to keep abreast of the cost of living, longing for a chance to take their families to God's great out-of-doors. Millions of men of the city are envying you this minute because you are young and on the farm. They know that the four-leaf clover of your good fortune is growing by your home doorstep.

Good, modern, labor-saving machines are taking the drudgery out of farming and putting still more profit into it. We are headquarters for the International Full Line, including Titan tractors, International engines, and manure spreaders, Primrose cream separators, McCormick and Deering harvesting, haying, and corn machines, tillage tools, P&O plows, etc. Such machines add to the profit and pleasure of daily life.

**Shedd**

Miss Agnes Arnold and Andrew Brown were married at the United Presbyterian manse in Albany on Friday, September 17, by Rev J T McCossan. The bride has accepted a position as teacher of the fifth and sixth grades in Halsey this winter.

Mr and Mrs P H Freerksen and little grandson were Albany callers Saturday.

Last Saturday the stock judging contest was held to determine what team will represent Linn county at the state fair. It was held on the C H Davidson farm and the Davidson herd was used.

It seems rather a mixed matter as to who are to represent Linn county at the state fair, some saying it will be Ralph Malson, Harvey McConnel and Harold Pugh. Others say it will be Ralph Malson, Harvey McConnel and Kenneth Arnold. Harold Pugh of the Shorthorn club made the highest score, but his colleagues failed to support him properly and according to one reporter the three were all appointed from the Jersey club.

Friday night the U P Streamer class of the United Presbyterian Sunday school gave a social for the congregation of the church. Mrs C M Croft was the teacher and leader.

Geo Gould has taken the contract to run a cream truck for the Columbia Cream Co.

There is much painting going on in and around Shedd and Al Nelson is kept quite busy.

E H Margason, who had the misfortune to run a rusty nail into his foot some time ago, has recovered from the effects of it.

Jack Cornett has taken the Callapooia engine over to help Mr Shumaker and others save their grain, their engine having broken down.

Robert Arnold and Fred Croft are busy hauling crushed rock to put on their private road.

Alfred Savage of Halsey, has been running his chopper, chop-

ping grain for the Shedd farmers.

The Rebekah lodge held a weenie roast at the home of Mrs A D Elder last Monday night.

School started Monday with encouraging prospects for a good year's work.

The rock crusher at Sa'die Batte has closed down indefinitely thus throwing about 25 men out of employment.

George McReynolds was an Albany business caller Monday. He is preparing to move to a farm in Benton county.

A marriage license has been issued to Frank Tibbett of Shedd and Miss Leona M Nichols of Lebanon.

**Pine Grove**

The county road scraper and truck is out in the Pine Grove neighborhood fixing up the roads.

Mr Becker of Eugene, has sold his place west of Pine Grove to his son-in-law, who is expected to move onto the place in the near future. The place has been rented for the past year to Ray Hover.

Ernest Hover, who had been living out by Spoon river, bought the John T McNeil place and moved onto it last week.

John T McNeil moved to Halsey last week, where he has rented the Ed W. Armoth place in the west part of town where the family intend to make their permanent home.

The people of Pine Grove regret very much that he had to leave the farm on account of his health and they congratulate the

citizens of Halsey on their good fortune in Mr McNeil's choosing Halsey for his future home.

He is an Oregonian, born and raised at Pine Grove, he has seen a lot of the hardship that came to the lot of the early pioneers, but he had that Scotch blood that makes a fellow stick onto the job, and was ever a leader in progressive moves for the betterment of the community.

He was the prime mover in organizing the first Farmers' Telephone line at Pine Grove as well as the local threshing company, and he has always been a leader in the upbuilding of church and morals and a constant Christian worker.

Pine Grove feels the loss of an old neighbor and wishes him and his family God's blessing in their new home.

**Our Sermonette**

Ye should earnestly contend for the faith which was once delivered unto the saints. Jude 3.

Our good fight of faith consists in a considerable measure in our defense of the word of God, which includes also our defense of the character of God. This will mean our willingness to stand for the truth at any cost and against any number of assailants—against the creeds and theories of men, which would misrepresent the good tidings of great joy which the Lord and the apostles have announced, and which shall, thank God, yet be unto all people. As the apostle again says, "I am set for the defense of the truth." We can do no less than defend the truth. The truth is God's representative, and hence our standard, and as true soldiers we must defend our standard, even unto death.
