**"Here's Real Tobacco"**

says the Good Judge

That gives a man more genuine chewing satisfaction than he ever got out of the ordinary kind.

Smaller chew, lasts longer — so it costs less to chew this class of tobacco.

And the good, rich tobacco taste gives a world of satisfaction.

Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles

RIGHT CUT is a short-cut tobacco

**Christian Church Notes**

Owing to there being no services at the Methodist church we were pleased to have with us at both of the services of the church so many of our friends of this communion. Our invitation to attend the services includes everyone and we are always glad to fellowship with those whose faith is based upon Christ. Our pastor received so many congratulatory comments upon his morning sermon that there can be but little doubt that those who were present did not waste their time.

In the evening the attention

was such as to convince one that the topic was more than just interesting. Mr Phillips stressed the plea for unity upon the "one foundation" intimating that this was the great desire of the heart of Jesus. He advanced a plan that would ultimately result in this happy condition. If all who profess to be Christians would wear that name only, and would be guided in precept by what the scriptures say rather than the creeds, and would practice the ordinance of baptism as did the apostles and as commanded by Jesus rather than follow the teachings of some long since dead member of the church, or-

ganic union would result and the world would soon know and believe "that God sent Jesus." Nothing is to be gained by ignoring these vital things pertaining to our common faith and to speak of the existence of unity when we present such a divided appearance to the world at large," was Brother Phillips' reason for handling the subject as plainly as language would permit yet without bitterness. Shall we not therefore consider these truths carefully and prayerfully, we who profess to love the Lord. To this end all are invited at all times.

The Bible study class for High School students commenced last Sunday under the direction of W H Robertson with eight enrolled. This is a good beginning and we invite all who have not started to do so next week. Credit is given for work done and a comprehensive knowledge of the Bible will be the result of faithful work.

The C W B M meets at Mrs J M Porter's next Tuesday and the discussion will be led by Mrs Lyle Chance. All the ladies are invited.

C E topic, Bible verses that help. Ps 119: 3-10. Minnie Cross, leader.

**Our Sermonette**

Everyone that heareth these sayings of mine, and doeth them not, shall be likened unto a foolish man, which built his house upon the sand, Matt 7: 26.

The hopes built upon the Lord's promises and unaccompanied by works are hopes built upon the sand. It is only a question of time until the great testing time shall come and such hopes shall be shown to be worse than useless. They will be shown to have deceived their possessor, who thought himself safe in his assurance of a share in the kingdom. On the contrary, those who build with obedience, their hearts as well as their tongues confessing and honoring the Lord, their deeds corroborating their faith, and their fruits bearing testimony of their vital relationship with the Lord, these shall never be moved, never be shaken, because they are on the foundation.
