Christian Church Notes

The attendance at the Bible school was very gratifying last week and particular mention should be made of the High school Bible class under the direction of Bro Robertson which has increased to 14 members, all of whom are enthusiastic. There is room for a few more if there are any students who wish to avail themselves of this opportunity.

Besides this class there are others for the study of the Kingdom of Heaven as treated by Matthew.

At the evening services we were pleased to welcome a number of visitors, who, coming in time for the Endeavor, helped to

make that gathering one of the most interesting for some time past. Mr and Miss Patterson of Eugene, who were visiting their brother, the principal of the school, and Mr Applegate and Miss Hortense Bennett of Tangent, were among those present. Beside the usual good song service Mr and Mrs Phillips sang a duet.

For next Lord's day the sermon topics will be as follows: At 11 a m "Paul's Request," and at 7:30 p m "The Faith of a Harlot."

Remember the other hours 10 a m Bible school; 6:30 p m C E hour. Endeavor topic, "Christian Principles in Politics." Luke 22: 24-27.

Methodist Church Notes

SUNDAY SCHOOL

Jesus begins his ministry. Repent ye; for the kingdom of heaven is at hand. Matt 4: 17.

The Master in his earthly ministry was engaged in preaching and healing. He begins this lesson by calling to the ministry two brethren, Peter and Andrew, and straightway they left their nets and followed Him. And going on he saw James and John and he called them and they followed him. And likewise Matthew and Philip.

These disciples did not hesitate or halt between two opinions but they went at once. Their minds were made up. May the Lord help us to have this same spirit of promptness and decision that the early disciples had.

We had a good and profitable day last Sunday in all the services. During the Sunday school hour our new pastor, Bro Cook, spent the time in visiting the classes and getting acquainted with our young people and the work. He delivered a live sermon from an appropriate evangelistic text, and again in the evening to good audiences.

Bro Cook called a meeting of the Sunday school board on Monday evening and some fine plans were discussed for future work. He has announced another meeting of all the S S officers and teachers for next Sunday morning just after the church service.

Our new Bible study class for high school students and all young people who wish to take advantage of this opportunity, began work last Sunday with a good strong class and fine prospects.

We are very fortunate in securing an excellent teacher for this work.

Miss Zoe Patterson, a sister of Prof Patterson, and Chas Stevens of Eugene, were with us Sunday morning. Also Mr and Mrs Harry Commons and children and Mrs Lindsay Thomas were welcome guests. Mr Commons has lately moved into our community.

Bro and Sister Hadley arrived home last Monday from their three weeks' trip to Kansas. Bro Frank had it in mind to take another look at his old home state before buying a permanent home. Now he says: "Nothing doing, good old Wilharrnette for me."

Again we hear the jingle of wedding bells. One of our Philathea girls has married a boy from Brownsville. They have gone to Bandon, Oregon, to spend the winter. We shall miss Hazel very much.

The news has been passed around that our old scout, Wm Dow Marsters has decided to pass out of his bachelor ways into a more blissful state. May joy be with him and his bride to be.

School Notes

The boys are practicing for the big game next Saturday. Every body come and help cheer the boys to victory.

The returns from the basket social amounted to \$114.75, a good sum. Part of it goes for the boys' shower fixtures and the remainder for the tennis court.

Our library fixtures have come and the Teachers' Training class are going to learn to arrange them properly.

The teachers of the school are planning a Hallowe'en affair for October 29th for the students. We are all very much interested in the mysterious affair.

Jess Cross has taken up book-keeping.

Our new library books have come and we will have something better to use for reference.

Albert Heinrich was absent Monday.

Our Sermonette

To do justice and judgment is more acceptable to the Lord than sacrifice. Prov 21: 3.

We are to grow in love, and love is the principal thing; but before we can make much development in the cultivation of love we must learn to be just, right, righteous. It is a proper presentation of the matter that is given in the proverb, that a man should be just before he is generous. It behooves the Lord's people, therefore, the New Creation, that they study this subject of justice continually and daily put into practice the lessons inculcated in the Divine Word. Such as get this proper foundation of character before they begin to build love will find that they are making progress properly. All love that is founded upon injustice or wrong ideas of righteousness is delusive, is not the love God will require as the test of discipleship.
