says the Good Judge

And you will find how much more satisfaction a little of this Real Tobacco gives you than you ever got from a big chew of the ordinary kind.

The good, rich, real tobacco taste lasts so long you don't need a fresh chew nearly as often. So it costs you less.

Any man who uses the Real Tobacco Chew will tell you that.

#### Christian Church Notes

Those who were absent from the services of the church last Sunday missed two strong scriptural sermons on the "Covenants." The topic was discussed at both services. Brother Phillips speaking upon the "old covenant" and concluding in the evening with a discussion of the "new covenant" and a brief contrast and comparison. We are sure that Christians particularly should be alive to the responsibility that is theirs after knowing that (as stated by Mr Phillips) Christ is the only covenant that exists today between God and man and that those who have not accepted him are not in covenant relationship with God, are aliens. We should wake up. We are our brother's keepers in that we must tell sinners of Christ and their fate without him.

The attendance at the evening session was the largest we have had for some time. There were many visitors from outside points, among whom was Mrs Patterson, mother of our school principal, who was passing through to Eugene.

Our pastor promises another scriptural sermon for next Sunday evening entitled "What they did, and why." Don't miss this or the one at 11 a. m. "Opportunity's barriers" is it's title.

Boost the Bible school should be our slogan. Members it is up to you.

C W B M meets at 2:30 in the church hall next Lord's day; all the ladies should make an effort to be out.

C E topic, Peacemakers. Matt 5: 9, Gen 18: 1-9. Leader Hazel Quinby.

#### School Notes

Did you see the big game Tuesday? Halsey won. The boys played hard and it was only after many knockouts that they quit. Gus Skirvin was laid out with a badly wrenched shoulder and Virgil Carbin with a badly wrenched knee. It seems that a pretty good sized bet was made on Shedd but they lost. Next time bet on Halsey.

The eighth grade has a new pupil, Lila Dudley from Maine.

We also have a new student in the High School, Leo Jenny; we welcome all new students, because the more the merrier.

The minstrel show has been postponed for Saturday night but it has been decided to give it Friday night, November 5th, on account of the Odd Fellows' blowout on Saturday night. So everyone remember to come to the greatest minstrel show ever given, next Friday evening at the hall at 8 o'clock. Tickets are on sale. The best Jiggers from Jiggersville will be there. Don't miss it.

The first six weeks are over and we are awaiting our report cards with fear and trembling.
